AN ACT to authorize and empower the Board of County Commissioners of Kent County to borrow upon the faith and credit of said County to the amount of Nine Hundred Thousand Dollars ($900,000), and to issue and sell bonds therefor, the proceeds thereof to be used by the State Roads Commission of Maryland for the construction and improvement of roads and bridges in said County; to provide for the redemption of said bonds out of any road and bridge construction and reconstruction funds allocated to or set aside for use in Kent County by the State Roads Commission; and to provide that said loan shall not be made by the County Commissioners unless it has been approved by a majority of the votes cast by the qualified voters of Kent County in a special election.

WHEREAS, The County Commissioners of Kent County and the State Roads Commission of Maryland have entered into an agreement under which, in the event that the County Commissioners of Kent County borrow the sum of Nine Hundred Thousand Dollars ($900,000), the State Roads Commission will expend said sum in Kent County for the construction and improvement of roads and bridges; and

WHEREAS, It is also agreed that, if said loan is made, and bonds are issued therefor, the bonds will be paid, on their respective maturity dates, with road and bridge construction and reconstruction funds allocated to or set aside for use in Kent County by the State Roads Commission.

General Assembly of Maryland, That the Board of County Commissioners of Kent County, be and they are hereby authorized and empowered to issue serial coupon bonds on the faith and credit of said county, to the amount of Nine Hundred Thousand Dollars ($900,000) par value, said bonds to be issued in denominations of One Hundred Dollars ($100) or any multiple thereof, to bear interest at the rate not exceeding five per centum (5%) per annum, payable semi-annually, in each year during which said bonds shall be outstanding and remain unpaid, to be signed by the President of the Board of County Commissioners of said County, and countersigned by the Clerk thereof (provided that the coupons for the interest thereon may be authenticated by the engraved, lithographed or printed signature of the President of said Board of County Commissioners), to have the corporate seal of Kent County affixed thereto, and to be exempt from all State, County and municipal taxes, the said bonds shall have written or printed on them a distinct reference to the Act authorizing the issue, and shall be designated as "Public Road Bonds of Kent County, 1929."

SEC. 2. And be it further enacted, That the said County Commissioners of Kent County are hereby authorized and empowered to issue the said bonds and sell the same at such time and in such amounts as they may deem advisable to meet payments incurred by the State Roads Commission of Maryland in connection with the construction and improvement of roads and bridges in Kent County. The said bonds shall be issued in series maturing as said County Commissioners shall determine, but none of said bonds shall be issued for a longer period than fifteen years from the date of issue.

SEC. 3. And be it further enacted, That in order to provide for the selling of said bonds to be issued under the provisions of this Act, the said Board of County Commissioners of Kent County, or a majority of them, are hereby directed to advertise once a week three successive weeks before the bonds or any part thereof shall be issued in such newspapers as may be determined by the said Board, that the said Board of County Commissioners will be in readiness at a certain time within fifteen days after the expiration of said notice to receive bids at such place as may be named in said advertisements, for bonds issued under the provisions of this Act, under such regulations as may be made in the discretion of said County Commissioners, or a majority of them, and the accrued interest between the date of the bonds and the time of sale and delivery of, and payment for, said bonds shall be adjusted with the purchaser or purchasers thereof under such regulations as may be made in the discretion of said County Commissioners, or a majority of them; and at the time mentioned in said advertisements as the time for opening the bids for the proposals thereby called for, the said County Commissioners shall receive such sealed proposals for the purchase of as many of such bonds as may be mentioned or designated in said advertisements; and on the opening of such sealed proposals, as many of said bonds as have been so bid for shall be awarded by said County Commissioners or a majority of them, to the highest responsible bidder or bidders therefor, for cash, if the prices bid are adequate in the judgment of the said County Commissioners, or a majority of them; and when two or more bidders have made the same bid, and such bid is the highest and the bonds so bid for by the highest responsible bidders are in excess of the whole amount of the bonds offered for sale, such bonds shall be awarded to such responsible bidders bidding the same price in a ratable proportion; and if any of said bonds so offered for sale are not bid for, or if any insufficient price be bid for them, they may subsequently be disposed of under the direction of said County Commissioners, or a majority of them, at a private sale, upon the best terms they can obtain for the same; and provided further that said County Commissioners, in their discretion, shall have the right to reject any and all bids.

SEC. 4. And be it further enacted, That the actual proceeds of the sale of said bonds shall be used exclusively for the following purposes, to wit:

(a) For the payment of the cost of engraving or printing of said bonds, and for the payment of the cost of advertising authorized by this Act and all other incidental expenses in connection with the issuance of said bonds;

(b) The remainder of the proceeds from the sale of the said bonds shall be paid over to the Treasurer of Kent County, and deposited by him in a special account at interest in such bank or banks as the said Treasurer may determine. The money shall be used exclusively for the construction and improvement of roads and bridges in Kent County by the State Roads Commission of Maryland, and for the purchase and acquisition of land, rights of way and for any necessary expenses incident to the construction and improvement of roads and bridges by the State Roads Commission in said County. Payments out of the proceeds from the sale of bonds shall be made from time to time by the Treasurer on proper vouchers presented to him by the State Roads Commission. The roads and bridges to be constructed or improved shall be designated by the County Commissioners of Kent County, subject to the approval of the State Roads Commission.

SEC. 5. And be in further enacted, That for the purpose of paying the interest on said bonds, the Board of County Commissioners of Kent County shall, for the year 1929, and annually thereafter, until all of said bonds issued under the authority of this Act shall mature and be redeemed, levy a tax upon the assessable property in said county sufficient to pay the annual interest on said bonds outstanding, said taxes to be collected as other taxes levied in said county are collected.

Any interest which may accrue on the bank deposits made by the Treasurer of the proceeds from the sale or sales of said bonds shall not be expended by the State Roads Commission, but said interest moneys shall be withdrawn from the special account, from time to time and applied to the payment of the interest when due on said bonds outstanding, in which event the Board of County Commissioners may levy a tax sufficient to pay the difference between the whole amount of the annual interest on said bonds outstanding and such part of said interest as is met by interest accruals on the bank deposits, so long as any of said proceeds remain on deposit.

SEC. 6. And be it further enacted, That for the purpose of redeeming said bonds as they mature, the State Roads Commission of Maryland is hereby authorized and empowered to issue the right of any holder of such bonds to annually shall pay, or the Comptroller and Treasurer of Maryland shall, on order of the State Roads Commission of Maryland, pay to the Treasurer of Kent County an amount sufficient to redeem said bonds in the year in which said bonds mature; and the Treasurer of Kent County shall use the payment made annually by the State Roads Commission, or by the Comptroller and Treasurer of Maryland, on order of the State Roads Commission, for the purpose of redeeming said bonds as they mature, and for no other purpose whatsoever. The payments to be made by, or on the order of, the State Roads Commission, as directed in this Act, shall be made from any and all sums of moneys which shall accrue to the credit of Kent County from the receipts from the "Lateral Road Gasoline Tax Fund, as provided by Chapter 118 of the Acts of 1927, and any amendments thereto, and/or the Post Road Fund and/or from road and bridge construction and/or reconstruction funds allocated to or set aside for use in Kent County by the State Roads Commission. And the State Roads Cimmission shall not, in any year, expend or incur any obligations against any of said funds so credited, allocated to or set aside for use in Kent County, unless there has first been paid from said funds, or any of them, to the Treasurer of Kent County an amount sufficient to redeem all said bonds maturing in that year.

In the event that, through amendments of existing laws, or a reduction of receipts or appropriations for road and bridge construction and improvement, the funds allocated to or set aside for use in Kent County by the State Roads Commission shall not be sufficient to redeem said bonds as they mature, then the Board of County Commissioners of Kent County shall annually levy a tax upon the assessable property in said county sufficient, with such payments as are made by or under the order of the State Roads Commission, to redeem said bonds as they mature and become due; and in the event that no payments are made by or under the order of the State Roads Commission, then the Board of County Commissioners of Kent County shall levy a tax sufficient to pay all of said bonds as they mature or become due; said taxes to be collected as other taxes levied in said county are collected.

SEC. 7. And be it further enacted, That the question whether said "Public Road Bonds of Kent County, 1929" shall or shall not be issued by the County Commissioners of Kent County for the purposes set forth in this Act shall be submitted to the registered and qualified voters of Kent County on Saturday, May 11th, 1929, at a special election to be then held, at which special election the polls shall open at 8 o'clock A. M., and shall close at 6 o'clock P. "Shall or shall not Public Road Bonds of the par value of Nine Hundred Thousand Dollars ($900,000) be issued by the County Commissioners of Kent County, the proceeds to be used by the State Roads Commission for the construction and improvement of roads and bridges in Kent County, as provided by Chapter 486 of the Acts of the General Assembly of Maryland of 1929?"

Immediately after which shall be printed on separate lines, with a square or box to the right and opposite the words "For Road Bonds," and a corresponding square to the right and opposite the words "Against Road Bonds" all to be printed on said ballots, so as to give the voter a clear opportunity to designate by a cross mark (X) in the proper square or box, his or her decision for or against said Road Bonds. The Supervisors of Election of Kent County shall give notice, at least fifteen days before the day of said election, by advertisement in at least two newspapers published in Kent County, of the submission of said question, provided that, if for any reason said notice shall not be given, or not given in the manner prescribed, such failure shall not invalidate this Act or prevent its taking effect, or in any manner impair the validity of any bonds issued under the authority of this Act. The laws in force for the conduct of elections in Kent County, and the provisions of the Corrupt Practices Act shall apply in all particulars, wherever applicable, to the election held under this Act, except as otherwise provided herein, and all the registered voters of said County who are qualified to vote at the regular elections held under the election laws of this State shall be entitled to vote at said special election. The judges and clerks of said election shall count the vote on said question of the issue of said bonds, and make a return thereof to the Supervisors of Election of said Kent County in like manner as the vote for candidates at said regular election is required to be counted and returned under the General Election Laws of Maryland, and the Supervisors of Election of Kent County shall canvass the return of said vote on said question, and certify the result thereof in the same manner as the vote for candidates at regular elections is required to be canvassed and certified, and the said Supervisors of Election shall also certify the number of votes cast "For Road Bonds" and "Against Road Bonds," respectively, both to the Clerk of the Circuit Court for Kent County and to the Clerk of the County Commissioners of Kent County. If the majority of votes cast at said election shall be "For Road Bonds," then the County Commissioners of Kent County shall be authorized and empowered to issue bonds as provided in this Act, but if the majority of votes shall be cast "Against Road Bonds," then this Act shall be of no effect and no bonds shall be issued thereunder.

SEC. 8. And be it further enacted, That in the event that it shall appear to the County Commissioners of Kent County that a majority of the votes cast at the special election provided for in this Act are "For Road Bonds," and any bonds are actually issued under the provisions of this Act, then any failure to comply with any of the provisions of this Act with respect to the manner, time and place of the special election shall not affect the validity of bonds issued under the authority of this Act or impair when due; and no purchaser of any of the bonds authorized by this Act, and no holder thereof for value and in good faith, shall be bound to see to the application of the purchase money of said bonds.

SEC. 9. And be it further enacted, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and being passed upon a yea and nay vote, supported by three-fifths of all of the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, in the square provided thereof, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate square a cross-mark (X) after the answer you desire to give. You should be careful to make no mark on the ballot other than the cross-marks within the squares.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can any voter occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his or her ballot must make affidavit to that effect, if he or she desires assistance. The two polling clerks, after such affidavit has been made, can accompany him or her into one of the compartments and there mark his or her ballot as he or she instructs them, marking only the names of the candidates whom he or she shall name. The clerks are not allowed to read the ballot to him or her.

7. Any voter who shall allow his or her ballot to be seen by any person with the apparent intention of letting it be known how he or she is about to vote; or who shall place any distinguishing mark upon his or her ballot, or who shall make a false statement as to his or her inability to mark his or her ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his or her ballot, or who shall endeavor to induce any voter before voting to show how he or she marks or has marked his or her ballot, shall be punished by a fine of not less than ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period not exceeding sixty (60) days, or by both fine and imprisonment, in the discretion of the Court.
