CHURCH NOTES AROUND KENT

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
Thy word is a lamp unto my feet, and a light unto my path.—Psalm 119: 105.

Christ Prayeth for His own. John 17: 11, 24, 25, 26. And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep though thine own name those whom thou hast given me, that they may be one, as we are. 24. Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world. 25. O righteous Father, the world hath not known thee: but I have known thee, and these have known that thou hast sent me. 26. And I have declared unto them thy name, and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.

Prayer: Lord instruct us and teach us in the way we should go: Guide us with Thine eyes.

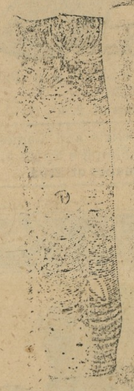
USED CARS
"with an OK that counts"

Your new car will be worth *more* a year from now *if it's an* EIGHT!



Every month it becomes more obvious—motorists want the sweep of power, the smoothness, the thrilling acceleration—and the *distinction*—of the Eight. Admittedly America's finest cars are Eights.

In eight key states new car registrations for the first six months of this year showed a 90 per cent increase in Eights above $1000—while Sixes above $1000 decreased 16 per cent.

Studebaker offers three great lines of Eights that hold more American stock car records for speed and stamina than all other makes combined, including the greatest record in transportation—30,000 miles in 26,326 consecutive minutes.

Eights of brilliant performance—economical as the thriftiest Sixes. So supremely ahead of the times that public response already has made Studebaker the largest maker of Eights in the world.

No extra gear shifting cangive a six-cylinder car the silken smoothness and flexibility of an Eight.

Why not get an Eight—a smart new Studebaker Eight? Enjoy it today and have a car that will be worth more a year from now—because Eights will then be at a premium in a used car market glutted with Sixes.

Studebaker's new low One-Profit prices have swept aside all barriers to Eight ownership. See the cars. Make comparisons. Convince yourself.
