LEE'S AGUE DROPS

Never was a medicine offered that has a greater claim on public approbation than this as many thousands can testify.

Mr. Noah Ridgely,

SIR—You are at full liberty to use my name in recommending your Lee's infaliable Ague and Fever drops; as from repeated trials of them in my family I have always found those drops to be a truly infalliable medicine: never failing to produce a speedy and effectual cure. I do therefore confidently recommend them to all persons laboring under this distressing disease, and firmly believe that they will always perform a compleat cure if taken agreeably to the accompanying directions.

Yours respectfully,
MICHAEL WARNER,

You are at liberty to publish his case.

A valuable Merchant and Grist Mill, Saw Mill, and Plaister Mill, together with two farms containing about TWELVE HUNDRED ACRES of excellent plaister land, in a high state of cultivation, with good buildings, a sufficiency of wood, and a large portion of bottom meadow of a very superior quality. There is also a valuable Mill Seat on the land, sufficiently powerful for any kind of water works.

TRUSTEES' SALE,

A most valuable tract of Land in Balt. County.

By virtue of a decree of the honorable the Chancery Court of Maryland, the subscriber will sell at public sale on the premises, on SATURDAY, the 10th day of December next, at 11 o'clock in the forenoon,

A TRACT OF LAND,

Lying in Baltimore county, directly on the Turnpike road leading from Baltimore to Hanover, via Pennsylvania, 29 miles from the city of Baltimore, 13 from the flourishing town of Hanover, and within 1 mile of a considerable village called Manchester. This tract is called Nace's Tavern, and contains 340 acres of Land, nearly 100 of which is in timothy, about 100 acres of heavily timbered wood land, and the residue of the land is cleared, having a most extensive Orchard, containing every kind of the best fruit—the buildings consist of a Dwelling House, which is large and with some improvement may be made very comfortable, together with all convenient and necessary out houses, which also require repairs. There is running through this land a stream of water which would answer for both a Distillery and Tanyard—in fine it may be easily made one of the best estates in Maryland, by a little attention and care.

The terms of sale are one half cash on the day of sale, or on the day of the ratification thereof, and the balance to be secured by bonds with approved security, payable to the trustee in four equal yearly payments *without* interest. As this property has heretofore been offered for sale without being able to obtain the price wished; any person disposed to buy can contract with the subscriber for the land at private sale, but if not sold in this way it will be sold at public sale on the said 10th of December, without reserve, to the highest bidder. If the property should be sold at private sale, public notice shall be given of the same so that no person may be disappointed.
