Announcing The Appointment ... OF ... The Automotive Service Company
As distributors in this territory for the Service Motors, Inc., Wabash, Ind., manufacturers of Service Trucks.

Service Trucks are designed with a thorough understanding of truck-operating conditions. They are built to do the work you will require of them with the minimum of attention or care. They are designed for continuous service under the most exacting conditions. All the valuable features of truck design that our twelve years of specialization in truck building have developed are embodied in the Service Trucks of today. Experimental construction is rigidly excluded until it is unquestionably perfected and proved.

Service Trucks, while not the highest priced trucks made, are not sold at a low price. If they were, they could not be good, but they are positively the lowest price and cheapest truck in the end, by reason of their long life, comparatively light upkeep expense, and reasonable price on repair parts, and their ability to give the greatest ton mileage for the least cost.

MODELS:
1½ Ton, 1½ Ton, 2 Ton, 3 Ton, 4 Ton, 5 Ton.

BANK YOUR DISCOUNT
When you discount your bills, instead of crediting the discount to MERCHANDISE ACCOUNT, deposit it in
THE TOWSON NATIONAL BANK
in a special interest bearing account in our
SAVINGS DEPARTMENT.
This practice will result in a substantial sum in the course of time. It will be your surplus, and an anchor to the windward, so to speak.
There is no easier way to put your business beyond the risk of panics, crop failures, poor collections or other hazards.
Let us talk it over with you.
