U Of M Field Day To Be Held May 3

FOUR EVENTS LISTED

Scholastic Meet and Three Varsity Contests Carded—Army Teams At College Park April 26

Field Day at the University of Maryland on May 3 will be one of the biggest affairs ever staged at College Park, with a program lasting all afternoon.

Featuring the occasion, the interscholastic track and field meet is the thirteenth of such events to be held by the University. Thirteen open contests and five closed to the county high schools of the State are scheduled.

The complete program:

1.30 o'clock — Interscholastic meet and dual meet between Virginia and Maryland, to be run off concurrently.

2 o'clock—Baseball, Catholic University vs. Maryland.

4 o'clock—Lacrosse, St. John's vs. Maryland.

Facilities Augmented

Maryland's athletic facilities have been greatly augmented since the meet was held two years ago, the lapse in 1929 being due to the work in improving Byrd Stadium field and the building of a new cinder path, now doubtless the best in the South. A new baseball diamond, with stands seating more than 1,500, is to be opened April 26.

Open scholastic events on the program are:

100, 220 and 440-yard dashes, 880-yard run, mile run, 120-yard high hurdles, 220-yard low hurdles, 12-pound shot put, javelin throw, discus throw, high jump, broad jump and pole vault.

Events closed to the county high schools of the State are:

100 and 440-yard dashes, 880-yard run, 12-pound shot put and broad jump.

Handsome prizes will go to successful athletes, specially designed gold medals to the winner in each event, silver to the runners-up and bronze to those who finish third. Gold watches are to be the prizes for the two athletes who score the most points in their respective classes and silver cups for the schools carrying off top laurels.

Entries Close April 28

Entries for the meet must reach the University of Maryland on or before Monday, April 28, to be in time for the printing of the program. No entries will be allowed that do not reach College Park in time to get in the program.

All the visiting athletes are invited to attend the contests in which the Maryland Varsity teams figure. The meet is to be run off before the start of the lacrosse game.

All of Maryland's teams have been performing in good style this spring and every one of the contests should be highly interesting. In the lacrosse clash the Old Liners will be seeking revenge on St. John's for a reversal suffered last season.

Army Team to Visit

April 26 will also be a banner day in athletics at College Park. On that day two West Point teams visit the Old Liners, the Army appearing in baseball at 2.30 and in lacrosse at 4 o'clock.

West Point teams do little traveling and it is rare for any school to have them on the schedule for one home contest, much less two in one day, as will be the case on April 26. Both games should be colorful affairs and are sure to be largely attended.

A tennis match between the Old Liners and Washington and Lee is a third contest on April 26.

S. Scott Beck, Solicitor.

2. That being so seized and possessed of said real estate, the said Thomas W. Skirven departed this life as aforesaid leaving a last Will and Testament, dated August 12, 1904, duly admitted to probate and recorded in the office of the Register of Wills for said County in Wills Liber C. Skirven, for her use and benefit during her natural life or so long as she might remain his widow and after her death provided as follows:

"ITEM: And from after the death of my said wife, I do hereby grant, will, devise and bequeath unto each of my children a one-sixth share in my estate to be equally divided among them share and share alike as tenants in common. All of which will appear by reference to a certified copy of said last Will and Testament filed herewith, prayed to be taken as a part hereof and marked "Complainants' Exhibit No. 4."

3. That Harry Skirven, one of the children of the said Thomas W. Skirven, died on February 9, 1929, leaving no last Will and Testament but left surviving him as his heirs at law his wife Julia R. Skirven, and his two infant children, viz.: Thomas Harry Skirven and Dorothy Ann Skirven.

4. That Angeline S. Skirven, the widow of the said Thomas W. Skirven, departed this life on the 21st day of October 1929.

5. That Percy G. Skirven, Edmund H. Skirven, Frank Skirven and Mabel N. Skirven, on the 30th day of September 1919, executed a Mortgage on their interest in the above mentioned property to The Chestertown Bank of Maryland said mortgage being recorded among the Land Records for Kent County aforesaid, in Liber A. P. R. No. 5, folio 398, etc., a certified copy of which Mortgage is filed herewith, prayed to be taken as a part hereof and marked "Complainants' Exhibit No. 5."

6. That the said Percy G. Skirven is a resident of Baltimore City, State of Maryland; that the said Julia R. Skirven, Thomas Harry Skirven, infant, and Dorothy Ann Skirven, infant, are residents of Kent County, Maryland; and that Edmund H. Skirven and Dorothy H. Skirven, his wife, are residents of the City of Chicago, State of Illinois.

7. That the said real estate is not susceptible to partition without material loss and injury to the parties entitled to an interest therein as above stated, and that in order to make division of said interests, it will be necessary that said real estate be sold and that the proceeds thereof divided amongst the parties according to their respective interest and they recommend the appointment of S Scott Beck, of Chestertown, Maryland, as Trustee to make said sale.

It is thereupon, this 8th day of April, 1930, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 12th day of May next, give notice to the said Edmund H. Skirven and Dorothy H. Skirven, his wife, non-resident defendants, warning them to appear in this Court in person, or by Solicitor, on or before the 26th day of May next, to show cause, if any they have, why a Decree ought not to be passed as prayed.

TWO-WAY TELEVISION

Confirming the old adage "Seeing is Believing," officials and engineers of the American Telephone and Telegraph Company and the Bell Telephone Laboratories have just demonstrated in New York City a system of two-way television which can supplement the usual two-way telephone conservation, permitting users of the service to see as well as hear each other.

The demonstration was made by Walter S. Gifford, president, the American Telephone and Telegraph Company, and Dr. Frank B. Jewett, president, The Bell Telephone Laboratories, assisted by Dr. Herbert E. Ives, Dr. Frank Gray, H. M. Stoller, A. W. Horton, and M. W. Baldwin, of the Laboratories' research department, between the headquarters telephone building at 195 Broadway and the Bell Telephone Laboratories, 463 West Street, about two and one-half miles away.

Operation of this experimental two-way television service which has been in progress for some time was disclosed to representatives of newspapers and press associations. A special telephone booth was installed in each building, equipped with television transmitters and receivers, designed for the purpose by the scientists and engineers of the Laboratories who have been actively engaged in research in television since the first public demonstration made between Washington, D. C., and New York, April 7, 1927, which illustrated its scientific practicability.

Another raid has been made on Delaware and Pennsylvania trucks operating on contracts within the State without a Maryland license. State Highway Officer Carl G. Storm has preferred such charges against Casper Sennett, of Boothwyn, Pa., and James C. Shockley, of Lincoln, Del. A warrant has been issued for John Fitzgerald, also of Lincoln,Del., who is said to have slipped away when the arrests were being made.

The men were operating trucks doing work on the new State road form Massey to Sassafras and cement was being hauled at the time.

The men, according to the State police, had been previously warned. Magistrate Olin B. Stafford repeated the warning when he fined them $13.90 and costs, each. Truitt and Company of Lincoln, Del., are said to be the owners of the trucks.
