WEAK, RUN DOWN AFTER SICKNESS

Lydia E. Pinkham's Vegetable Compound Made Mrs. Dube Well and Strong

E. Hartford, Conn.—"After a severe sickness I was so weak that I could not do my housework, so my mother told me to take Lydia E. Pinkham's Vegetable Compound. The first bottle helped me so much that I took six more bottles and felt fine. I have just given birth to a nice baby girl and am feeling strong and well. So different from the way I felt before. I am taking the Vegetable Compound right along while nursing. The baby seems to be in good health, and my friends say they see a big change for the better in me."—Mrs. EUGENE DUBE, 59 Woodbridge Street, East Hartford, Connecticut.

The Vegetable Compound is a splendid medicine to bring back health and strength. Many mothers have found this true, as did Mrs. Dube. Ask some of your neighbors and friends, for there are women everywhere who know by experience the value of Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

WANTS ACCOUNTING FROM SALE OF PRODUCE.

Michael Sofinowski filed a bill in the Circuit Court at Towson against his son, Frank Sofinowski, of the Twelfth District, asking for an accounting of the sale of produce from a farm which it is alleged the complainant and the defendant operate under a sharing of sales arrangement, also asking for the appointment of a receiver for said crops. Sedwick T. Cromwell, a commission merchant, through whom the crops are sold, is also named as a defendant. An order was passed by Judge Frank I. Duncan appointing T. Bayard Williams as receiver. The latter and Wm. P. Cole, Jr., appear as attorneys for the complainant.

COUNTY FOLKS SEE WHITE HOUSE KITCHEN, BUT NOT PRESIDENT.

Judge Frank I. Duncan and family motored to Mt. Vernon one day this week and on the return trip decided to call on President Coolidge. Going to the front door, for some reason or other, entrance could not be gained, but a courteous attendant ushered the party through the kitchen.

While they got a good view of where the President's meals were performed, they did not have the pleasure of an audience with the Chief Executive.

DEAF AND DUMB BOY SETS FIRE TO CAMP CHAPEL ROAD RESIDENCE.

When little Henry Myers, 8 years old, set fire to the house of Peter Gerst on Camp Chapel Road, he not only destroyed the house, but $600 in cash. The origin of the fire remained unknown for two weeks when it was traced to Myers, and when arrested told the police his mother instructed him to do it.

When he had a hearing before Justice Hermann at the Fullerton Police Station he was committed to St. Mary's Industrial School pending the action of the Juvenile Court.

The unique part of the whole affair is that all members of both families are deaf and dumb.
