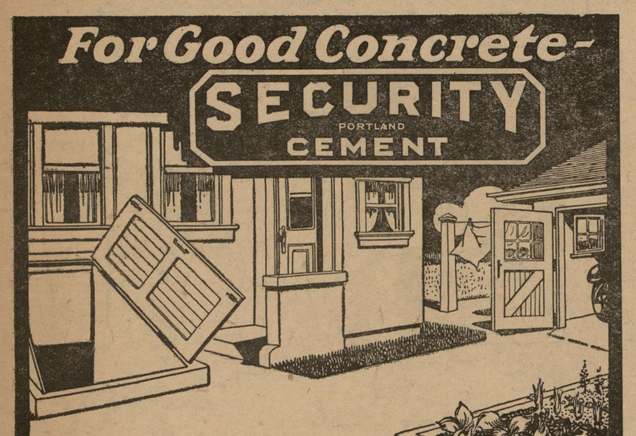
For Good Concrete—

SECURITY PORTLAND CEMENT



Concrete Around the Back Door!

Make your place more modern and more livable, and add to the value of your property, by using Concrete around your house. For a few dollars you can have a new walk or driveway, build a new cellar entrance or replace the rotted back porch steps. When you use Concrete, they will never need replacing again. Clothesline posts and flower beds are useful conveniences every housewife appreciates. Your local contractor can make them all for you; and you might even help him and thus further reduce the cost..

There are many such improvements you can make without great expense. Any Security Cement dealer named below will give you full information on how you can make needed improvements quickly.

The Automotive Service Company

As distributors in this territory for the Service Motors, Inc., Wabash, Ind., manufacturers of Service Trucks.

Service Trucks are designed with a thorough understanding of truck-operating conditions. They are built to do the work you will require of them with the minimum of attention or care. They are designed for continuous service under the most exacting conditions. All the valuable features of truck design that our twelve years of specialization in truck-building have developed are embodied in the Service Trucks of today. Experimental construction is rigidly excluded until it is unquestionably perfected and proved.

Service Trucks, while not the highest priced trucks made, are not sold at a low price. If they were, they could not be good, but they are positively the lowest price and cheapest truck in the end, by reason of their long life, comparatively light upkeep expense and reasonable price on repair parts, and their ability to give the greatest ton mileage for the least cost.

MODELS:

1¼-Ton, 1½-Ton, 2-Ton, 3-Ton, 4-Ton, 5-Ton.
