SAW HURTLES BOARD—KILL WORKMAN.

Struck beneath the heart by a piece of two-inch planking hurled against him by a whirling circular saw in the carpenter shop of the Baltimore Copper Smelting and Rolling Company, Joseph Studzinski, thirty-seven, 907 South Potomac street, Baltimore city, died at Mercy Hospital.

Studzinski, a carpenter, went into the shop about noon to saw a piece of planking. The wood jammed on the steel disc and flew back against him.

He lost consciousness. A pulmotor was summoned but proved of no avail. The Company's ambulance took him to Mercy Hospital, where he died a few mintues after he had been admitted. Police are investigating.

INJURED POLICEMAN IS FOUND ON ROAD

Forced from the road into a ditch, it is alleged, by a speeding automobile he was pursuing on the Philadelphia road, near Rossville, State Policeman Arthur M. Mills suffered a broken leg, a possible fracture of the right arm and internal injuries. The motorists escaped.

The victim was found lying near his wrecked motor cycle by Motor Cycle Patrolman Leonard Hendricks, of the Eastern district. He was taken to Bay View hospital, where he was treated.

The automobile was eastbound on the Philadelphia road at a high rate of speed, it is alleged, when Mills saw it. Mounting his motor cycle he started in pursuit. As he drew alongside the machine, it was said, and shouted to the driver to halt, the chauffeur cut over sharply to the side of the road, forcing the patrolman into the ditch.

KLECKA TRIAL POSTPONED UNTIL WEDNESDAY.

The trial of Wm. F. Klecka, Chief Judge of the People's Court of Baltimore, indicted for maintaining a disorderly house and gambling, was arranged for trial on Tuesday in the Circuit Court at Towson, was postponed until next Wednesday, and State's Attorney H. Courtenay Jenifer states that some of the important witnesses for the State had not been returned as summoned, as it was stated they had not been found. Summons were re-issued for them. The defendant has elected to be tried by the Court, and the case will be heard by Chief Judge T. Scott Offutt and Associate Judges Frank I. Duncan and Walter W. Preston. Many prominent Baltimore lawyers and others were in Court on Tuesday, summoned as character witnesses for Judge Klecka, who will be defended by former State's Attorney George Hartman and Daniel J. Sullivan.

An indictment jointly against Judge Klecka and two others for maintaining a disorderly house at the Belleview Club was nolle prossed. State's Attorney Jenifer stated that the grand jury was erroneously under the impression that they were officers of the club. The two indictments against Judge Klecka individually were allowed to stand.

Stability

Character is the result of continued building. Little by little we add or substract our character building atoms until we become pillars of strength to society or merely loose stones laying around almost useless.

Continued strengtening results in Stability, that attribute we most desire.

Continued adding to brings a stable BANK ACCOUNT.

Money placed in the bank and not touched but by weekly deposits, made to grow, results in the realization of our dreams and hopes and enables us to attain that FINANCIAL STABILITY we all wish to reach.

Will you have an account of STABILITY?

The Automotive Service Company

As distributors in this territory for the Service Motors, Inc., Wabash, Ind., manufacturers of Service Trucks.

Service Trucks are designed with a thorough understanding of truck-operating conditions. They are built to do the work you will require of them with the minimum of attention or care. They are designed for continuous service under the most exacting conditions. All the valuable features of truck design that our twelve years of specialization in truck-building have developed are embodied in the Service Trucks of today. Experimental construction is rigidly excluded until it is unquestionably perfected and proved.

Service Trucks, while not the highest priced trucks made, are not sold at a low price. If they were, they could not be good, but they are positively the lowest price and cheapest truck in the end, by reason of their long life, comparatively light upkeep expense and reasonable price on repair parts, and their ability to give the greatest ton mileage for the least cost.

MODELS:

1¼-Ton, 1½-Ton, 2-Ton, 3-Ton, 4-Ton, 5-Ton.
