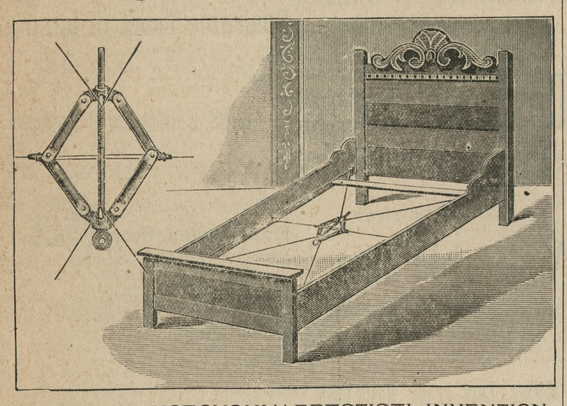
Eureka Bed Brace



THE ONLY THOROUGHLY PRACTICAL INVENTION
—FOR—
BRACING ANY and ALL KINDS of BEDS

Works equally well on all the different qualities of Beds, and is easily adjusted. The most inexperienced can adjust it. It is a necessary household article. It prevents squeaking and rattling in any kind of bed. It holds the slats tightly and securely in place. It forces the rails firmly against the ends of the slats by pulling the sides together, and at the same time forces the head and foot of the bed firmly against the ends of the rails and stays the locks. It holds the bed square so that it cannot twist. It makes a bed more comfortable to sleep upon, and all danger of falling slats, rattling or breaking of joints is effectively removed. It does its own work, and does not require to be handled, fixed or rearranged at any time. Examine it for yourself.

RETAIL PRICE ONLY $1.50.

Good Agents make good salaries selling this little household article. Agents wanted in every district in the county. Now is the time to secure your territory before it is taken. For terms apply to

Mutual Life Insurance Co.,

J. HERMAN IRELAND,
SPECIAL REPRESENTATIVE,
837 Market Street, - Wilmington, Del.

For Your Consideration.
To be happy you must be contented; to be contented you must feel that your home is secure, and your family provided for.
Have you a mortgage on your property? If you have you may be able to pay it off in time. If you die before it is lifted—who will pay it?
Would not a Life Insurance Policy be a good thing for you to carry, so that whatever happens, your property will be secure?
Most men work hard and take but little present comfort in order to secure future wealth. Yet 95 per cent. of men in business are not successful. Think of it!
Do not leave this matter of the future welfare of your family in doubt. Decide now and take a $5,000, $10,000 or $20,000 policy on your life, payable to yourself at 60 or 65 years, if you are then living. If you die before that time your family and business are protected. If you live, you will be well provided for. Meanwhile you can enjoy your present income, and at the same time leave your family provided for. Having paid your Life Insurance premium, you can freely spend the remainder of your income without the haunting fear of future want to the wife and children.
I will be pleased to make you a proposition for an investment contract in the largest and oldest Life Insurance Company in the world.
