COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody, Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulæ, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great, blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet *does cure* all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption.

Take the "Golden Medical Discovery" *in time* and it is not likely to disappoint you if only you give it a *thorough* and *fair* trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

THE LOVE OF THE RED, RED ROSE.

BY MISS MINNIE E. HICKS, CHESTERTOWN, MD.

The sun and the wind loved a red, red rose
That grew by a garden wall;
And the red rose blushed at the sun's caress,
And bowed to the wind's soft call.

But she smiled alike on sun and wind—
A gay couquette was she—
And her heart slept on, till it woke one day
At the hum of a velvet bee.

Then little she cared for she sun's warm touch,
Or heeded the wind's faint sigh;
She cared for naught but the velvet bee—
Smiled only when he was nigh.

Right handsome and brave was he to see,
And ardent the vows he made
As he nestled close to her golden heart,
'Neath her crimson petal's shade.

But alas! for the treacherous velvet bee,
And alas! for the red, red rose;
She waited long, but he came not back,
Though the bright day neared its close.

The great sun saw, and veiled his face—
And none heard the night-wind's moan,
Save the swaying stem by the garden wall,
Where the rose had lately grown.

Shark Supper at a Farm.

A party of Baltimoreans captured a shark while returning from bathing off Piney Point, in the Chester river. The monster measured 8 feet 4 inches. The shark was shot by Capt. Howard Kendell, who was in charge of the boat. It was towed to the farm of Mr. Robert Wickes, near Rock Hall, where the members of the party are spending the summer, and a portion served for supper that evening. The dish is said to have been relished by all who partook of it. Those aboard the boat at the time the shark was captured included: Mr. and Mrs. Edward A. Rohr, Mrs. Frank Pearson, Mrs. J. F. Sommerlock, Misses Bessie Reichart, Maud Wickes and Margaret Campbell.

*††A number of our horsemen are getting their horses in shape for the Tolchester Fair races. Mr. J. E. Ferguson's two-year-old Bedworth colt is showing considerable speed and will be heard from at the fair. Mr. Jos. Kennard also has several good ones which may be in the money before the fair is over, and there are still other Kent horses that will give a good account of themselves at the races. Bedworth, Jr., is at Rock Hall track being trained for the races, and he will be sure to win his races there.
