MRS. JULIA B. DEWLING SEEKS PARTIAL DIVORCE FROM HUSBAND ALLEGING CRUELTY AND NON-SUPPORT.

Mrs. Julia B. Dewling, by R. E. Kanode, attorney, filed a bill in the Circuit Court at Towson in which she asks for a partial divorce from Thos. G. Dewling for alleged cruelty and non-support. Mrs. Dewling complains that her husband, with a 38-calibre revolver in hand, recently threatened to take her life, and that on several occasions he has, without the slightest provocation, maliciously and wilfully destroyed household furniture belonging to her, having on one occasion destroyed a valuable bed with an axe. Mrs. Dewling further complains that in March, 1923, she purchased with funds which she had inherited from her father and mother, a Stutz 5-passenger automobile, the title to which her husband, without her knowledge, succeeded in having registered in his name, and he is now threatening to sell the machine.

The bill states that the parties were married October 3, 1894, and that since 1921 they have lived on Coleraine road, near Catonsville.

Judge Duncan signed an order upon the bill restraining the defendant from disposing of the automobile or breaking up any more furniture or occupying the Coleraine road property unless cause to the contrary be shown by April 21.

GEO. E. RYAN, WORLD WAR VETERAN, WHO KILLED HIS WIFE, FREED FROM LUNATIC ASYLUM.

George Edward Ryan, World War Veteran, who was tried in the Criminal Court of Baltimore, on the charge of the murder of his wife, Mrs. Fanny A. Ryan, was acquitted on the ground of insanity and committed to the Maryland Hospital for the Insane, at Spring Grove, was brought before Judge Frank I. Duncan in the Circuit Court at Towson under a writ of habeas corpus. Dr. A. P. Herring, Dr. J. Percy Wade, Superintendent of the hospital; Dr. Edward N. Brush and Dr. John R. Oliver testified that Ryan is now sane. In view of the testimony Judge Duncan said that there was nothing for him to do but to order that Ryan be released from the hospital.

Ryan, whose home is in Norfolk, states that he will go there and enter a Government hospital. He received a severe shrapnel wound in the back while in war service.

Judge Duncan warned Ryan to avoid the use of alcoholic beverages as an aid to his complete recovery.

FIREMAN DISMISSED.

William T. Wolsh, of Towson, a member of the Baltimore County Fire Department, stationed at Dundalk, was dismissed by the County Commissioners after a hearing at which Chief Engineer Priester preferred charges against him of failing to carry out orders of his superior officer.

BODY OF GARDENER IS FOUND HANGING IN RUXTON BARN.

Hanging in the barn on the estate of Philip L. Poe, at Ruxton, the body of Charles Eckart, gardener, was discovered by another employee.

A physician was summoned hurriedly, but on arrival pronounced the man dead. William P. Butler, of Towson, issued a certificate of suicide.

Eckhart had been in ill health for the last four or five weeks. This, it is believed, led him to seek death. He was 54 years old and came from Cockeysville about six months ago to take the position of gardener on the Poe estate. He made his home in the tenant house. He is survived by his widow and two daughters, one 12 and the other 8.

LADS GO IN FOR SWIM DESPITE SNOW ON BANKS.

Snow lay on the side of a hill, which, sloping down like the inside of a bowl, forms a semi-circular pool at the edge of the waters of Lake Roland. Folks gazed at it and shivered. It evoked unpleasant memories of the record-breaking storm recently.

Others stopped shivvering and rubbed their eyes. Skirting the bottom of the hill trudged five boys. At the waters edge they stopped and began to divest themselves of their clothing. In a few minutes each stood clad in short bathing trunks. There was a challenging shout, and after the boy who had uttered it, ran the other four until they were shoulder high in the water. Each boy then struck out. The swimming season at the ol' swimmin' hole had begun.

When You Buy a De Forest You Have All There Is!

YOU can spend twice and three times as much for a radio receiving set and get no more than you get with a De Forest Reflex Radiophone at $150.

You can buy more tubes, a larger cabinet, more elaborate wiring. You will probably also buy the necessity for using an outdoor aerial and a ground. You will pay much more for tubes and battery upkeep.

But if you are buying the most radio miles, the clearest reception of broadcasting, the greatest number of stations, the easiest and surest operation—buy a De Forest and you have all there is.

The way to prove its supremacy is to operate a De Forest D-10 Radiophone in the same room with any other set made—no matter what its price—and select the one that works best for you.

Forget the long names and the trick circuits. Forget the multiplicity of tubes. Buy on performance.

Remember that De Forest invented broadcasting. Remember that De Forest invented the vacuum tube which makes all present-day radio possible.

Regardless of price there is no better set made than the De Forest Reflex Radiophone. Prove it to yourself.

"Your Good Money's Worth Or Your Good Money Back"

Another Eventful Week In "Old Town"

"MOSE'S" BIG OFFERINGS FOR EASTER.

"MOSE" is a mighty busy man these days. Spring business, which started a couple of weeks ago here, has kept him and the boys busy, and now comes the rush of Easter trade—two good solid weeks of it—and it surely is going to make us all hustle.

But that's what "Mose" is here for. He knows just what business he is going to do this Easter—about all of it in "Old Town"—and he is prepared for it.

He has the biggest and best stock of new Spring Clothing he ever carried in all of his 35 years of business experience.

His Easter Suits and Topcoats, which are all "Mose's" own good make—made right here at home on his own premises—and made especially for this Easter trade—can't be beat anywhere—in any first-class store or in any good custom tailor shop in the city. And "Mose" tells you that you can't get such suits and topcoats elsewhere for less than half as much again or double the money.

The First Of April and a Snow-storm and All Fool's Day Last Tuesday; Jack Dunn and His Birds in Their Homeward Flight; State Arbor Day and a New Moon, and "Mose's" Big Sale of Men's and Young Men's Easter Suits and Topcoats.

"MOSES KAHN OF OLD TOWN"

FINE SUITS AND TOPCOATS.

"MOSE" wants to say to the workingman— for this sale is for their benefit—that if they can't' get here Saturday or Saturday night, come around Monday night. We keep open late that night just to accommodate you and the same suits and other clothes we advertise today will be here for you.

Folks who think that workingmen don't wear good clothes have got another "think" coming to them. In Old Town they wear the best. And why shouldn"t 'they? They work and make good wages and own their homes and they are deserving of the best.

And, furthermore, the workingman is honest. He is the "prop and mainstay" of Mose's business—and has been for 35 years—and he can come to his "Old Friend" any time he feels like it and get whatever he wants and all he wants.

"Mose" wants everyone who needs a new suit for Easter to attend this sale.
