THE LADIES' STORE, CHESTERTOWN, MD

JEFFERSON.

SEMI-SUMMER REDUCTIONS.

AS the summer is fast passing away and finds us with a few odds and ends in the various lines yet on hand which we will close out at a great reduction to rid our shelves in order to make room for the vast array of fall goods which will soon begin to arrive. While the price in these "odds and ends" are exceptionally low, they are in no wise damaged but are genuine first class stock and as represented or money cheerfully refunded.

WE desire to call especial attention to the fact that "Ladies Store" is the only dry goods and notion house in the town that closes at 7 p. m. during the months of July and August and hope that the public will appreciate this and call during the day and secure some of the bargains offered below.

MILLINERY AT HALF PRICE.

Our Millinery parlors must be cleared AT ONCE. We need the money, we need the room. There are some few choice pattern hats, sailors, trimmed and untrimmed hats, flowers, ribbons, etc., here which must go; we say 50c on the dollar takes them; all persons can find real bargains here. Don't wait, come inspect, but meditate not for the price will surely please.

White Goods.

We have just finished our largest season on white goods, and the cause for the amount of business has been the quality of the line. This has been equal to any to be seen in the city. We are now ready to close out the odds and ends at great sacrifice.

Persian Lawn, 32 inches wide, 15 and 18 cents, at 12½c
" " 45 inches wide, 30, 35 and 40 cents, at 27c
Hand-woven Battist, Chiffons, Kristols, French Muslins, Organdies, etc., 50 and 60 cents, at 45c. 65 and 75 cents at 50.

LAWNS! LAWNS!

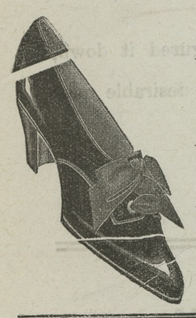
In our stock of Lawns and Colored goods which will be closed out at prices to suit all. We have some of our best patterns, and since the price has been dropped they are going. Colored goods 25, 30, 35c, at 15c. Lawns 18, 15 and 12, at 10 and 12½c.

Muslins! Muslins!

7½c PER YARD

We have recently purchased a job lot of Muslin Remnants from one to ten yards to the piece. Regular price 8, 10 and 12½c per yard, we offer them while they last at 7½c.

A GREAT SHOE CLEARANCE.



You know what that means. It's a clearing up of all Spring and summer shoe stock. "Six months and out"—is the rule—and here they go.

Pumps and Oxfords—every pair—good reliable shoes—no trash in our regular stock. It's the opportunity of the season to get good shoes at little prices.

First Choice is Always Best

Just look at this list. We think the prices will make your purse uneasy.

All Tan and Gun Metal Pumps, the regular $3.30 line, go in this clearance sale at
$2.90

A number of pairs of Black Kid, Patent Leather and Gun Metal Oxfords. The regular $3.00 line go at

Come out, ladies, during the day. You will find the store pleasant, fans plentiful, cool, refreshing water and a souvenir to all who call between 7 A. M. and 7 P. M.

Still Pond Items.

Miss Evelyn Ford, of Lambson's station, is visiting her friend, Miss Jennie Bowers.

Miss Mae Nickerson, of Galena, is visiting Mrs. Charles Severson. Mrs. Severson being our fashionable milliner, she and Miss Nicherson will visit the fall opening at Baltimore.

Mrs. Joe Bowers and daughter, Anna, spent a few days of the past week in Baltimore.

Miss Ruby Pneffer, of Baltimore, is spending a short time with her cousin, Miss Lillias Walter.

Mr. Wm. Krusen and Mr. Charley Hague have been at Niagara Falls for the past two weeks.

Miss Lydie Allston, of Wilmimgton, is paying an extended visit with her cousins the Misses Norris.

Mrs. Newton Kelley and children left our town Monday for Boston. We hope her little son, Newton, will be very much benefited by the trip.

Mrs. Ed. Miller and two interesting children have returned to their home in Baltimore after spending the summer with her sisters.

Mrs. Lauina Harper and children have returned home after a two weeks visit at Pen Mar.

Our town was very much shocked to hear of the death of Mrs. Harry Jones, although she had been a long sufferer and we knew she could not last long, yet it came as a shock. It seems hard that one as young as Mrs. Jones, and has so much to live for should be taken, yet God knows best, and his ways are our ways.

The Epworth League will be led Sunday evening by Miss Mabel Norris. Topic, "Our Charge." Mabel is one our young ladies who is trying to do her best to help the Epworth League, and we hope you will all give her a full attendance, as you will be sure to hear something worth listening to.

Our pulpit was filled last Sunday by Rev. J. W. Watts, pastor of the Episcopal Church, Sulphur Springs, Oaklahoma. His sermon at the morning service was a strong and forceful one, and much enjoyed by all the people and many favorable comments were heard about it. In the evening he gave an address to the Epworth League on "Christians, and the Work in the Church in Oklahoma," and again the people were delighted with him. Pastor Collins took advantage of the beautiful Sunday and the large audience and received the money for the winter's coal. He believes in paying as you go.

It was a great delight to have with us on Sunday one of our old Sunday School boys, Bro. Wm. T. Hague, Supt. of the M. P. Sunday School of Kennedyville. He made a most excellent address to our school, and we bid him God's speed in his new work, and trust soon he may be able to make us another. There were also other visitors from Kennedyville and elsewhere in our congregation on Sunday to hear Rev. Mr. Watts. To them also we say we were glad to have you worship with us. Come again.

Our pastor next Sunday will have visiting him the Rev. W. V. Harris, pastor of the Methodist Church, Piney Neck, who will preach at each service. This means splendid sermons for our people, as we remember so well Rev. Harris' excellent sermon last year. Be present at both service. The special sermon to the young women will be postponed for another week. League service will begin at 7.30.

The Epworth League will hold their monthly business and social meeting at the parsonage on Thursday evening Sept. 10. Much business is to be transacted and every member and friend will be needed. Do your best to be present and bring a friend.

"THE KID."

Profitable dairying, that is, increasing the quantity as well as the quality of the milk, is now positively assured by giving with the feed Fairfield's Milk Producer. Successful dairymen are fast dropping all experimenting, no matter how promising, and are confining themselves to this remarkable cattle tonic. Sold under guarantee by Davis & Satterfield.

Daily reports from various agricultural stations show that the Fairfield method of banishing "cure-alls" and adopting a formula to meet conditions peculiar to each animal, is the surest way to get results. Fairfield's Milk Producer is making money for every cow owner. Sold under guarantee by Davis & Satterfield.

That a horse sometimes becomes "run down," much after the fashion of a human being, is now recognised as a fact by the best Veterinaries. It is also agreed that the surest remedy is one that makes blood, thereby vitalizing the nervous system. Such treatment is best secured in Fairfield's Blood Tonic for horses. Sold under guarantee by Davis & Satterfield.

The working capacity of any horse can be practically doubled by giving regularly with its feed Fairfield's Blood Tonic for Horses. Nothing is better for the general health of the horse. Sold under guarantee by Davis & Satterfield.

In its success in preventing cholera and disease, Fairfield's Hog Tonic has accomplished more than any other single agent in saving the farmer from this former great source of loss. Hogs fatten more quickly under this treatment and with this possibility of loss removed hog raising is now very profitable. Sold under guarantee by Davis & Sattetfield.

It has been commonly considered that a fowl which has suffered from Roup never fully recovers but this theory is now upset by the guarantee that goes with Fairfield's Roup Remedy. Poultry owners agree that results are permanent under this treatment and that afflicted birds recover completely. There is no record of a refund having been asked for under the guarantee. Sold under guarantee by Davis & Satterfield.

To make two dozen eggs grow where one dozen was produced before seems to be no difficult thing for Fairfield's Poultry Tonic. An iron clad guarantee protects every purchaser. Sold under guarantee by Davis & Satterfield.

Poultry lay and grow fat in proportion as they are cared for properly. Tone them up, give them just a little help with Fairfield's Poultry Tonic. In this way many a losing poultry venture has been made to pay. Sold under guarantee by Davis & Satterfield.

*†*One of our prominent new farmers caps the climax for unusual production, at least so far as pumpkins are concerned. He found in his patch one day last week a big pumpkin fifty feet away from any vine, and is now chuckling to himself because he thinks he has found a way to grow pumpkins without vines.
