Profitable dairying, that is, increasing the quantity as well as the quality of the milk, is now positively assured by giving with the feed Fairfield's Milk Producer. Successful dairymen are fast dropping all experimenting, no matter how promising, and are confining themselves to this remarkable cattle tonic. Sold under guarantee by Davis & Satterfield.

Daily reports from various agricultural statations show that the Fairfield method of banishing "cure-alls" and adapting a formula to meet conditions peculiar to each animal, is the surest way to get results. Fairfield's Milk Producer is making money for every cow owner. Sold under guarantee by Davis & Satterfield.

That a horse sometimes becomes "run down," much after the fashion of a human being, is now recognised as a fact by the best Veterinaries. It is also agreed that the surest remedy is one that makes blood, thereby vitalizing the nervous system. Such treatment is best secured in Fairfield's Blood Tonic for horses. Sold under guarantee by Davis & Satterfield.

The working capacity of any horse can be practically doubled by giving regularly with its feed Fairfield's Blood Tonic for Horses. Nothing is better for the general health of the horse. Sold under guarantee by Davis & Satterfield.

In its success in preventing cholera and disease, Fairfield's Hog Tonic has accomplished more than any other single agent in saving the farmer from this former great source of loss. Hogs fatten more quickly under this treatment and with this possibility of loss removed hog raising is now very profitable. Sold under guarantee by Davis & Sattetfield.

It has been commonly considered that a fowl which has suffered from Roup never fully recovers but this theory is now upset by the guarantee that goes with Fairfield's Roup Remedy. Poultry owners agree that results are permanent under this treatment and that afflicted birds recover completely. There is no record of a refund having been asked for under the guarantee. Sold under guarantee by Davis & Satterfield.

To make two dozen eggs grow where one dozen was produced before seems to be no difficult thing for Fairfield's Poultry Tonic. An iron clad guarantee protects every purchaser. Sold under guarantee by Davis & Satterfield.

Poultry lay and grow fat in proportion as they are cared for properly. Tone them up, give them just a little help with Fairfield's Poultry Tonic. In this way many a losing poultry venture has been made to pay. Sold under guarantee by Davis & Satterfield.
