HARPER'S WEEKLY: JOURNAL OF CIVILIZATION.

ON SATURDAY, THE THIRD OF JANUARY, 1857, HARPER & BROTHERS, *Franklin Square, New York*, will issue the first number of a weekly newspaper, to be entitled,

Harper's Weekly—A Journal of Civilization.

They will spare neither labor nor expense to make it the best FAMILY NEWSPAPER in the world—one whose cheerful and genial character will render it a welcome visitor to every household, while its constant devotion to the principles of right and justice shall win the approbation of the wise and the good. Its object will be to set forth sound views on Political, Social, and Moral questions; to diffuse useful information; and to cultivate the graces and amenities of life.

HARPER'S WEEKLY will contain a full and impartial Summary of Political, Social, Religious, Commercial, and Literary News of the day. It will chronicle the leading movements of the age, record the inventions of genius the discoveries of science, and the creations of art. It will, in a word, aim to present an accurate and complete picture of the age in which we live.

It will also give a due share of attention to the taste, the imagination, and the feelings. Its regular contents will embrace Tales, Incidents of Travel and Adventure, Sketches of Character and Social Life, and Essays upon Art and Morals.

The Publishers have made arrangements with the best American writers, who will contribute to the various Departments of the paper. The large space at their disposal will enable the Conductors to avail themselves of ample selections from the best and most healthful literature of the Old World. The first Number will contain the commencement of Mr. THACKERAY'S New Serial Tale, the publication of which, from early sheets purchased of the Author, will be continued from week to week until its conclusion. In addition to this they will keep a vigilant eye upon the issues of the English, French, and German Periodical press, the best productions of which will be transferred to the paper under their charge.

HARPER'S WEEKLY is not intended in any way to supersede or take the place of HARPER'S NEW MONTHLY MAGAZINE. Each Periodical will confine itself to its own proper sphere; and no portion of the contents of the one will appear in the other.

HARPER'S WEEKLY will contain Sixteen pages of the size of the *London Illustrated News*, each Number comprising as much matter as an ordinary duodecimo volume. It will be printed in a form and upon paper suitable for binding; and as the pages will be electrotyped, the back Numbers can always be supplied, so that Subscribers will be able at any time to complete their files.—At the close of each volume, neat and appropriate Covers will be prepared for the convenience of those who wish to bind the paper.

TERMS.

HARPER'S WEEKLY will appear every SATURDAY MORNING, and will be sold at FIVE CENTS a Copy. It will be mailed to Subscribers at the following rates, payment being invariably required in advance:

One Copy for One Year	2 50

A Valuable Fishing Landing on the Potomac. And Other Real Estate, at Public Sale.

BY VIRTUE OF A DECREE OF THE CIRCUIT COURT FOR PRINCE GEORGE'S COUNTY, SITTING AS A COURT OF EQUITY, the subscriber will offer at public sale, at Harbin's Hotel, in the village of Piscataway,

ON FRIDAY, the 19th day of December next,

that valuable **FISHING LANDING** on the Potomac which belonged to the late William Bryan (of Richard,) having attached to it

About Four Acres of Land.

This is considered the *MOST VALUABLE FISHING LANDING ON THE MARYLAND SIDE OF THE POTOMAC.* For the last several seasons immense quantities of Shad and Herring have been caught there, rendering the profits arising from the sale of fish very large.

There will be offered for sale at the same time a TRACT OF WOOD LAND,

Containing About One Hundred and Thirty-Six Acres,

belonging also to the estate of the late William Bryan (of Richard;) and a TRACT OF LAND, called "China," supposed to

Contain About Two Hundred Acres,

more or less. This last mentioned tract is mostly covered with WOOD and TIMBER, and both said tracts would be valuable acquisitions to adjoining land-holders, as offering supplies of Wood and Timber.

THE TERMS OF SALE ARE:—A cash payment of one thousand dollars, to be paid on the day of sale, or upon the day of its ratification by the court; and a credit of one, two and three years for the deferred payments, in equal instalments—the whole purchase money to bear interest from the day of sale, and to be secured by the bonds of the purchaser or purchasers, with security to be approved by the Trustee. Upon the payment of the whole purchase money, the Trustee is authorized by the decree to convey the property to the purchaser free, clear and discharged of all claims of the parties to this suit, and of all persons claiming by, through or under them.

This property is also sold clear of the widow's dower.

☞ Those wishing to purchase are invited to view the property.

TRUSTEE'S SALE Of a Valuable Market Farm and Fishery.

THE UNDERSIGNED, AS TRUSTEE, BY VIRTUE OF A DECREE OF THE CIRCUIT COURT FOR PRINCE GEORGE'S COUNTY, SITTING AS A COURT OF EQUITY, passed in a cause wherein James H. Lee and Catharine, his wife, and others, are complainants, and Elizabeth Rebecca Goddard is defendant, will offer at public sale, to the highest bidder, on the premises,

ON THURSDAY, the 11th day of December next,

at the hour of twelve o'clock, meridian, if fair if not fair, at the same place and hour on the next fair day, all that portion of the "Bellemonte Estate," which was conveyed on the sixth day of July, in the year one thousand eight hundred and forty-six, to the late Mrs. Lindsey by Rozier T. Daingerfield and wife. This property,

Consisting of Twenty-One and a half Acres of Land,

of fine quality and soil well adapted to gardening purposes, adjoins the lands of the undersigned and Rozier T. Daingerfield, Esq., and is located at the junction of the waters of Broad Creek and Potomac River.

The Dwelling House has been recently built, of the best materials, is two stories high, with two rooms in each story, and has a comfortable back kitchen attached thereto. There is a good **ORCHARD** on the place and a large and never-failing spring of excellent water within a few feet of the mansion.

The shores of this farm afford a very fine **FISHERY** both during winter and spring.—The proximity of this place both by land and water to the Alexandria and Washington Markets renders it a desirable investment as a market farm—the adjoining waters furnish abundance of the very best game nearly half the year.

THE TERMS OF SALE, AS PRESCRIBED BY THE DECREE:—One hundred dollars in cash on the day of sale; the residue of the purchase money to be paid in equal instalments of one and two years from the day of sale, bearing interest therefrom, and to be secured by the bonds of the purchaser and approved co-obligors. Upon the payment of the whole purchase money, the undersigned will convey the premises in fee to the purchaser or purchasers at his or their cost.

WM. H. DAINGERFIELD, *Trustee.*

THE GLOBE:

THE OFFICIAL PAPER OF CONGRESS.

I INTEND to continue the publication of the Debates of Congress in full, including the Laws passed, during the next session, to commence on the first Monday in December next.

The coming in of a new Administration will cause the debates of the next session to be both interesting and instructive, as its policy will be foreshadowed in the speeches of its friends.—Those, therefore, who desire to know what will be the course of the next President, before he takes the executive chair, so as to shape their business accordingly, should subscribe for the debates of the coming session.

THE DAILY GLOBE will contain the news of the day, together with such editorial articles as may be from time to time suggested by passing events of interest, and the debates as they come from the hands of the reporters, which will be laid on the desk of every member, to undergo his revision for the Congressional Globe and Appendix.—Those who may desire to see the debates immediately should take the DAILY GLOBE, as they are usually published in it two days before they are printed in book form in the CONGRESSIONAL GLOBE and APPENDIX.

The CONGRESSIONAL GLOBE and APPENDIX will be printed on a double royal sheet, in royal quarto form, each number containing sixteen pages. All the Laws passed during the session will be appended to the debates; and copious indexes to the debates and the laws will be made out, printed, and sent to subscribers soon after the close of the session.

The WEEKLY GLOBE will be printed on a double royal sheet, in the usual newspaper form, and will contain a synopsis of the proceedings of Congress and the news of the preceding week; also editorial and selected matter, when there shall be room for such. An extra sheet will be printed whenever a debate on any important subject shall take place, giving it in full.

TERMS.

For a copy during the publication of the proceedings of the session	3 00
For two copies, during the session, when ordered at the same time	5 00

Petition for Divorce.

WALTER F. BROWN vs. JOSEPHINE BROWN

IN THE CIRCUIT COURT FOR PRINCE GEORGE'S COUNTY, SITTING AS A COURT OF EQUITY.

THE object of the petition filed in this case is to procure a decree divorcing the petitioner, Walter F. Brown, of Prince George's County, from his wife, Josephine Brown, of Washington City, in the District of Columbia, *a vinculo matrimonii.*

The petitioner states that on the sixth day of August, eighteen hundred fifty-one, the said Walter F. Brown was married in Prince George's County, by the Rev. George L. Machenheimmer, to the said Josephine Brown, formerly Josephine Smith; that the said Walter F. and Josephine lived together in peace and harmony until the fifteenth day of June, eighteen hundred and fifty-six, when the said Josephine was delivered of a black male child, and the said Josephine has removed the said child to the Poor's House in said county and bound out the same, and herself removed to and now residing in Washington City, in the District of Columbia.

It is thereupon, this thirtieth day of October, eighteen hundred and fifty-six, by the Circuit for Prince George's County, as a Court of Equity, adjudged and ordered, that the petitioner, by causing a copy of this order to be inserted in some newspaper published in Prince George's County once in each of four successive weeks before the first day of December next, give notice to the said absent defendant of the object of this petition and warn her to appear in this Court, in person or by solicitor, on or before the first Monday in April next, to answer the premises and show cause, if any she has, why a decree ought not to pass as prayed.

Navy of the Revolution.

TO THE SURVIVING HEIRS AND REPRESENTATIVES OF THE OFFICERS OF THE NAVY OF THE REVOLUTION.—Congress having at the last session matured a bill to provide "for the settlement of the claims of the officers of the Revolutionary army, and of the widows and orphan children of those who died in the service," granting half-pay for life to all who served to the close of the war, which bill passed the House of Representatives by a large majority, and only awaits the final action of the Senate on the third Tuesday of December next when as said bill unjustly excludes all officers of the navy—no less meritorious than the army—the undersigned, being the sole surviving child of the late Commodore Joshua Barney, in behalf of himself and of the orphan children of his deceased brothers and sisters, applied to the Senate to incorporate the navy with the army in said bill, but at too late a period to be acted on successfully; the bill was therefore postponed until December next.

In order to secure success to said amendment by concert of action of all those interested, he respectfully requests the heirs and representatives of said officers throughout the United States to forward to him, at Washington, their quarters, rank, &c. in the navy of the United States at the close of the war, and he will employ agents to prepare their memorials and urge their claims upon the justice of Congress to the same compensation as may be awarded to the army officers.

Prompt action is indispensable, and therefore earnestly requested.

JOHN BARNEY.
