TIME TO ACT.

Dont Wait for the Fatal Stages of Kidney Illness. Profit By Chestertown People's Experiences.

Occasional attacks of Backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are any symptons of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Chestertown proves the effectiveness of this great kidney remedy.

Mrs. Albert Rawleigh, Calvert St., Chestertown, Md., says: "I know what Doan's Kidney Pills will do and can recommend them. A member of my family suffered from kidney trouble. There was sediment in the kidney secretions and the passages were too frequent. He had pains through his back and kidneys and was dizzy. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they made him well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
