Two Valuable Farms at Public Sale.

BY VIRTUE OF A DECREE OF THE CIRCUIT COURT OF THE UNITED STATES FOR THE FOURTH CIRCUIT AND DISTRICT OF MARYLAND, the subscriber will offer at public sale, at Nottingham,

ON THURSDAY, the 15th day of January next,

if fair, if not, on the next fair day thereafter,

Two Valuable Estates,

which belonged to the late Michael B. Carroll, (the controversy in relation to them having been compromised,) to wit:

"BROOKFIELD,"

Containing About Four Hundred and Fifty Acres,

and another tract called "Content," containing about

100 *ACRES,*

which supplies it with wood. These tracts will be sold together, as forming one farm.

"BROOKFIELD" is one of the most desirable plantations in Prince George's County. It is now in a good state of cultivation, and is not excelled by any land in the county in the adaptation of its soil to the growth of tobacco, wheat, and corn. The fields are judiciously divided, and produce can be transported from it to Baltimore with great facility. It is within one mile of the village of Nottingham, where there is a steamboat wharf. This farm has the advantage of a large and convenient

DWELLING,

WITH ALL THE NECESSARY OUT HOUSES,

which make it a desirable residence, with a large and improved *LOT AND GARDEN,* forming on the whole a beautiful place. There are also on it

Four or Five Large Tobacco Houses,

in good order,

Stables, Corn House, Negro Quarters, Overseer's House, &c.

The other estate, "BLACK WALNUT THICKETT," containing between

Five and Six Hundred Acres,

is also in an improved condition. The improvements are a new and convenient

Dwelling House,

WITH OTHER NECESSARY OUT HOUSES ATTACHED,

Several Large and New Tobacco Houses, Quarters for Servants, &c.

It has also an abundance of **TIMBER and WOOD** for its support, and one or two

GOOD MEADOWS.

This is also a fine soil for tobacco and the other staple crops, and under the management of an enterprising planter, could be made a productive estate. It is convenient to navigation, and is a healthy location.

The sale of these two estates presents a rare opportunity to make investments in the best tobacco and wheat lands of Prince George's, and will no doubt attract the attention of gentlemen wishing to purchase farms. Possession will be given immediately upon complying with the terms of sale, which are as follows:

One fourth of the purchase money for each estate to be paid on the day of sale, and the balance in equal instalments of twelve, eighteen and twenty-four months, to be secured by the bonds of the purchaser, with security, to be approved by the Trustee, bearing interest from the day of sale.—Upon the payment of the purchase money, with interest, the Trustee is authorized to convey the property in fee simple to the purchasers thereof free, clear and discharged of all claim of the parties to the suit in the said Circuit Court (George W. Carroll and others *vs.* Thomas S. Alexander and others,) and of any and every person claiming by, from or under them, or any of them.

Purchasers are invited to view these estates before the day of sale.

C. C. MAGRUDER, Trustee.

10 Whole Tickets, ... $60 00
10 Half Tickets, ... 30 00
10 Quarter Tickets, ... 15 00

It will be perceived, by this plan, that for $60 the purchaser has a certificate of ten tickets, when if he buys tickets, he would only get for that sum six wholes. Thus, by buying certificates, he has four more chances for larger prizes—halves and quarter packages in proportion.

Tickets $10—Halves $5—Quarters $2.50.

The 1,500 Prizes of $40 are determined by the last figure of the number that draws the Capital Prize of $15,000. The Capital Prize will, of course, end with one of the figures—1, 2, 3, 4, 5, 6, 7, 8, 9, 0. Those Whole Tickets ending with the same figures as the last in the Capital will be entitled to $40. Halves and Quarters in proportion.
