2 Steps in Fighting Discomfort of

COLDS

All it usually costs to relieve the misery of a cold today—is 3¢ to 5¢ — relief for the period of your cold 15¢ to 25¢. Hence no family need neglect even minor head colds.

Here is what to do: Take two BAYER tablets when you feel a cold coming on — with a full glass of water. Then repeat, if necessary, according to directions in each package. Relief comes rapidly.

The Bayer method of relief is the way many doctors now approve. You take Bayer Aspirin for relief — then if you are not improved promptly, you call the family doctor.
