WEST NOTTINGHAM CAGERS CLOSE SUCCESSFUL SEASON

The current basketball season officially closed at the West Nottingham Academy Tuesday evening, March 8, when the Maroon five soundly whipped the Alumni by a score of 33 to 20. Captained by the flashly Jack Metzgar of West Chester State Teachers the alumni were no setups and gave the veteran Maroon varsity an even battle for the three periods. They could not stand the pace, however, when the Prep. boys turned on the heat in the final quarter to win going away.

In spite of losing to Harrisburg Academy on the home court Saturday afternoon, March 5, the Nottingham basketers, by taking the Alumni game, were able to make it 12 out of 17 for the season for a percentage of 700. This represents the most successful basketball season in recent years.

DOG QUARANTINE TO LAST UNTIL MAY

Quarantine placed on dogs runing at large by the health authorities in Cecil County about a month ago, due to canines in several sections being found suffering with rabies, will be continued until about May 1 in order to give hydrophobia in dogs, if any, time to develop.

In response to the protest made by owners of dogs that have been shot, Dr. O. K. Hoffman of the federal department of livestock service, says, it is not his desire to kill a dog found at large during the quarantine peroid until the owner is found and an honest effort is made to keep the dog tied. He also stated that some owners are getting careless in letting their animals out. **Investigations will be made and owners warned before any dog is killed by the department.**
