It has been found necessary to change the date of holding the Old Filddlers' Convention at Rocky Springs Park. The new date is a week earlier than planned, it now being Saturday, July 23. The whole day will be given over to this enjoyable event.

The fiddlers will use the pavilions, stumps and anything else that appeals to their fancy. Jig dancers will be in action and a day of merriment will be in store for all who can attend.

MRS. HUGH BURLIN

Mrs. Lizzie Burlin, widow of the late Hugh Burlin, died at her home near the old Chestnut Grove School in the Woodlawn section Thursday afternoon the 7th. She had been confined to bed for a year and in poor health for several years. Had she lived until September, she would have been 76 years old.

She is the last of the large family of the late John and Nancy Campbell Linton. She has lived at the home place since she came to care for her father in his declining years.

Three sons survive, Melrose, Charlie and Leo; Two sons Frank and Thomas died a few years ago. A number of grandchildren and great grandchildren also survive.

Funeral services were held Sunday afternoon, at her home by Rev. S. T. Hamblin, with interment in Asbury cemetery. Six grand sons were pall bearers.

STRADLEY HERD GIVEN NATIONAL RECOGNITION

A cow in the herd of Wilmer Stradley of North East, Maryland, has completed an official record in the Herd Improvement Division qualifying her for admission to the Advanced Register of the American Guernsey Cattle Club, according to Karl B. Musser, secretary.

A two year old cow in the Stradley herd, Coventry Merry Bright 413657, produced in 365 days 9262.5 pounds of milk and 434.1 pounds of butter fat in class GHI.

The secret a woman is compelled to keep is untold agony.

Nature tries to improve the race. She checks out the boat-rocker early so there will be no more like him.
