Is it hard for you to get the farm hands out on time?

Is it hard for you to get them up in the morning?

If so, why not let Big Ben do it for you?

Big Ben is a truth telling and reliable alarm clock.

It's his business to get people up in the world.

And he'll do it every day at any time you say.

Next time you drive to town, walk over to the store and take a look at him.

Spring Lambs sold on the wharf in Baltimore last Monday morning for $5 and $5.50 with 17 cents freight to be deducted. They could have been sold right home here to local buyers for $5.50.

Mr. Arlington L. Sparks has exchanged his old car with Mr. Reynolds, of Townsend, Del., agent, for a fine 1915 model Studebaker. It arrived this week and is a dandy.

April is the month for getting out your chicks for fall layers. Our advertising columns contain information relative to the best laying strains of chickens in the country. Look them up on page 5 and take your pick.

Mr. J. H. Sides, agent, delivered to Miss Ella Thomas, of Rock Hall, and Mr. A. N. Stavely, of Lynch, fine 1915 Maxwel touring cars this week. Mr. Sides has just received a carload of these fine cars, which he will shortly deliver.

Mr. Harrison Cornelius has sold to Messrs. Chas. O'Neil, John H. Moffett, Mrs. E. C. Bowers and Thomas B. Newcomb, four building lots from the M. P. She is enjoying a building boom.

Mr. Powell Peacock, the well-known trainer, of Middletown, Del., arrived at Radcliffe Park track this week, with the advance guard of a splendid string of horses which he will train for the spring and summer races. PAIGE

"The Standard of Value and Quality"

Be Sure It's a Paige

IT makes no difference whether it be the Glenwood Four "36" or the Fairfield Six-"46."

They are both Paige cars—both "the standard of value and quality."

You, alone, must decide whether your needs call for a seven passenger, six-cylinder car of 124 inch wheel base, or a four-cylinder car of 116 inch wheel base seating five people.

A choice between these two cars should be governed entirely by your requirements.

But—whether four or six cylinders—be sure it's a *Paige*. That name is the most important thing you can buy.

If it's a Paige it means that you are buying more dollar for dollar value than can be found anywhere else in the automobile market.

If it's a Paige it means that "you can't buy more—you won't be satisfied with less."

Pride of ownership—Satisfaction—Service. These are the really important things that you can buy in a Paige car.

So, make your choice—but be sure it's a Paige.
