Dear Brother

I hope before this time thee art safe arrived at London and Injoying some of y Incomparable pleasures of that place having my this opportunity by Capt Judd I thought fit to acquaint thee that I and wife and family Injoys health and I know nothing but thy Family do y same Friend In Generally are much as thee left them I know of little or no alteration

The Crops proves very short this year but not so short as was Expected when thee Left us I believe y will fall about one third short of what y were last year but many people says there is not ye Cove half as much made but I am afraid that will not prove to our assembly is now sitting and there is likely to be a better understanding between them and y new Governor then was with y last I have no news to write thee that I think is worth sending my wife desires to be kindly remembered to thee I am with dear Love to thee thy Loving Brother Joseph Cowman
