Sir

The Oldest persons I have met with having no remembrance of Mr Bathurst I hope the Affidavits & Certificates herewith will suffice to give satisfaction concerning my Daughter as his Heir at Law & facilitate your disposal of her Concern in Maryland.

I write this, lest I miss seeing You, & if your Engagements will not permit me the Enjoyment of your Company before your departure, to wish You a good Voyage, health & prosperity.

I am Sir. Your most Obedient Humble Servant
