SIDE ONE

here very great so hemp is 55/ Currency ⅌ hundred and as to Flax many has made it and every Pound will be spun up and manufactured here and another year much more there seems a Spirit to prevail all over America to make there own Woolens and Linnens and every thing else that thats necessary for our Subsistance you may depend I will doe you all the Service in power as a brother and every other way

I am Your most Obed Serv

To Capt Wm Tippett

S Gal

Dear Sir

Maryland July ye 28: 1765

I wrote you a few Lines by Capt Gadstone this comes by Capt Hogg who is Loaded and has left out my Deal of tobb that was designed for him at Capt Ringgold as he Very he would have got Some thats goes on and will go board other Ships Capt Richardson is near full and I expect will soon sail

I recd your by Capt Lewis of the 21st Apl with a List of Negroes for Mr Hutchesons with I will doe all in my Power to procure for him and send them after as they can be got or as many off them as can be procured in this Place they can't be till the Winter as the Nut of Paty don't fall till then please to

The money I have been trying to Mr Blanden has given me great concearn as it must seem a very hard but from your Acct of the 2 April and 16th the same Monthy I have great hopes he will pay me the Ballance due from him to
