Dr Sir

I wrote you by the last Post and have been ever since endeavouring to get Rawlings to sign which he would have done yesterday if he could have got security, but Mr Peters who he depended on refused him. I am now setting of for Lancaster with Mejr Allen & Shippen he has promised to give me Stephenson for security I shall hold out without he does it ~~give me some~~ Mr Chew is at New Castle with the Governor where he has been for several days Rawling does not purpose to go out of the country if I buy the land title it is made over to me and I shall return here in that case to have the Deeds properly
