Changes In Telephone Rates

EFFECTIVE MAY 1st, 1919

ON AUGUST 1, 1918, the Federal Government assumed control of the property and business of The Chesapeake and Potomac Telephone Company, and, at the same time, directed the Company management to continue the operation under Government supervision. The Act under which the business was taken over provides that the corporation shall receive **only just compensation** for the use of its property.

THE COMPENSATION to the Company having been fixed by contract, all revenues now collected for telephone service belong to the Government. With the increased cost of operation due part to the war, the present rates do not produce revenues sufficient to provide its proper proportion of the compensation, or, in fact, to produce an appreciable return on the investment.

TO MEET the situation, the Company prepared and submitted to the Operating Board, U. S. Telegraph and Telephone Administration, a revision of rates, which after careful consideration, was approved by the Federal authorities.

THE RATE INCREASE and the New Rates for service in Chestertown and vicinity are as follows:

Class of Service	New Rate Per Month In Chestertown	In Millington	Increase Per Month In Galena	In Still Pond and Rock Hall

A Fine Herd of Cattle

Messrs. Editors:

While in Baltimore recently I was invited to visit and inspect the up-to-date dairy farm and fine herd of Jersey cattle of Mrs. Manly, of near Catonsville. The farm and dairy are under the supervision of Mr. Barrett C. Smith, formerly of Chestertown.

The herd consists of about forty head of registered Jersey cattle, many of them prize winners, ranging in value from two to ten thousand dollars each. These cows are kept in the very best possible condition and are cleaned off every day like horses.

The stable and dairy is the most completely equipped building of its kind I ever had the pleasure of visiting. With steam heat to keep it warm in winter, and electric fans to keep it cool in summer and every conceivable modern convenience for the cows, as well as for Mr. Smith and his corps of white assistants, it could hardly be improved upon in any detail.

Mr. Smith's many friends in Kent will be glad to hear of his splendid success.

CONSTANT READER.

Town Commissioner Robert Moffett recently purchased two calves from this herd, which are beauties.

Bull Damages Auto.—Mr. D. Edgar Hurlock's new auto was badly damaged by a bull belonging to Mr. Winnie Powell, of Church Hill, Saturday last. Mr. Hurlock was passing the farm of Henry Bowen, on the road to Rolph's Wharf, when the bull jumped into the road, directly in front of the car. The animal was unhurt.
