MR. CLEMENTS COMES TO THE FRONT

Tells His Friends and Neighbors Of His Experience

Every Chestertown resident should read what Mr. Clements says, and follow his example. He has used Doan's Kidney Pills and speaks from experience. Is there any need to experiment with imitations or untried kidney medicines?

Thomas S. Clements, retired farmer, S. Mill St., Chestertown, says: I suffered from backache, and when I had to stoop over, I had extremely sharp pains in the small of my back. As Doan's Kidney Pills had been used in my home for several years, I secured some from M. A. Toulson's Drug Store. I haven't been troubled since using them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clements had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Four Complete Operations Every Trip Over the Field

Now that farm labor is scarce, it is to your advantage to do your work in the quickest and easiest way, especially when that method will bring even bigger crops than the old.

The planting season is always a busy one, but you will find that the work is accomplished a lot easier if you use a John Deere-Van Brunt Fertilizer Drill. This drill makes horse power and man power available for other purposes. In one trip over the field it pulverizes the soil, makes the seed furrows; plants and covers the seed and the fertilizer. And besides, it increases the crop yield because it does better seeding.

Come in and ask us to show you the *patented* adjustable gate force feed used on Van Brunt Grain Drills. This force feed is the construction that insures even seeding over the entire field. No seed is wasted and there are no bare spots in the field. The "Van Brunt" does first-class work in any soil capable of being seeded. It does not choke up in mud, gumbo, sticky or trashy soil.

Save extra labor and seed and increase your crop yield by buying a Van Brunt Fertilizer Drill from us.
