Farmers, List You Repair Need

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

ENTRANCE EXAMINATIONS

Engineering Scholarships

Entrance examinations, under the auspices of the College Entrance Examination Board, will be held June 18-23, 1923, in the Civil Engineering Building, Homewood, beginning at 9 A. M. each day.

Applications for Scholarships in the School of Engineering, established under provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, competitive examinations must be taken September 21, 1923, beginning at 9 a.m.

Each Legisaltive Distirct of Baltimore City and each County of the State, with the exception of Howard, will be entitled to one or more scholarships for the year 1923-1924, in addition to those already assigned.

Under the provisions of the Act of Assembly, the County and City Scholarships in the School of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted them.

The Scholarships entitle the holders to free tuition, free use of text books, and exemption from all regular fees. One of the scholarships in each County and in each Legislative District of the City carries also the sum of $200.

Scholarships may be awarded to graudates of Loyola College, St. John's College, Washington College, Western Maryland College, University of Maryland (Maryland Agriculture College), Mt. St. Mary's College and Rock Hill College.

Address The Registrar for blank application forms and for catalogues. The next session begins Tuesday, October 2.

THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Chestertown residents recommend Doan's Kidney Pills. Read this Chestertown statement:

Mrs. S. Pfeffer, 102 Cannon St., says: "I gladly recommend Doan's Kidney Pills to anyone in need of a kidney remedy. I have used Doan's at different times when my kidneys were troubling me and they never failed to give relief. The least cold I took settled on my kidneys and my back became weak and and painful. Mornings I felt dull and sluggish and the action of my kidneys was irregular. Doan's Kidney Pills were the right remedy for me and soon put a stop to the backaches and other signs of kidney trouble."

LIFE'S REWARD

I have run it over,
I have run it through,
I have trod the clover
Under the skies of blue.
I have heard the thunder,
Seen the lightning flash,
Seen my hopes go under,
Hear my castles crash;
But from my sorrow
And from every pain,
Always some tomorrow,
Smiled on me again.

Bitter days and lonely
I have had to face,
Days when anguish only,
Seemed to rule the place;
But the storms abated,
And I rose to see
Orchard blossoms-freighted,
Birds in every tree
Sunbeams dancing round me,
Joy beside my door,
And the care that bound me
Fretted me no more.

I have run it over,
All that life has meant,
I have played the rover,
Dreaming as I went,
Laughed and loved and neighbored,
Wept and suffered pain,
With the throng I've labored,
With them shared the rain;
But for all the trouble,
And for every tear,
Life has paid me double
In fellowship and cheer.

Bake things he likes with FLAVO FLOUR. It's healthful and tissue building. There is more nutrition and a sweeter taste in FLAVO FLOUR. It is made with a new process by the most modern mill in the world. Nature's food values and the delicious flavor of the wheat are not milled out as they are by other methods. FLAVO FLOUR is milled at home from home wheat. It is good. Buy it and patronize Home Industry.
