1776 MARCH 9 JEREMIAH WATKINS TO SAMUEL GALLOWAY No. 1994.

SIDE ONE

Sir

I dont know what you propose to do with our Crop of Tob: at the Ridge Mr. Briggs buys, and I shall rather take what he will give for my part than to keep it laying by. Something is better than Nothing. I cant do any thing better with it myself, unless you think there is a probability my getting more for it hereafter. Otherwise please to let me take my Part at the warehouse when inspected.

I am Sir yr. Obed. Serv. to Comm.

Jerm.h Watkins
