The Goodwin Washer.

READ THIS TESTIMONIAL:

TOLCHESTER BEACH, MD., Jan 20, 1896.
MR. WM. T. MATTHEWS, Gen'l Agent:
Dear Sir—I have been using 3 of your Goodwin Washers for the past year, and I find them a very durable and useful machine. We used these machines not once a week, but every day at the Hotel and Bath Houses, and in fact washed every thing we had occasion to wash, with one-half the labor as formerly. After the close of the season here I sent one of these machines to Baltimore, to a friend, and quote their words, "You have certainly sent us a good friend." It gives me pleasure to recommend this Washer to anyone who desires a Labor Saving, Easy, Durable and Clean Washer. Resp'y. yours, &c.,

OEHM'S ACME HALL. OEHM'S ACME HALL.

In a Fix.

That's our condition. We expected to move into our magnificent new six-story building before the middle of May. Bought enormous stocks with this hope. The building will not be ready for our occupancy until late in the summer, owing to unforeseen delays.

Our corner building is crowded to the very doors. Stocks are pouring in from every mill and factory, and with no storage facilities, there is but one thing to do—turn the goods into cash as fast as they arrive.

Prices will do it—must do it. The articles bought to sell at $1.00 must go for 75c. Goods bought to sell for $4.00 must go at $3.00. Suits made to sell at $10 must be marked $7.50—those made to sell at $20 must sell at $15.

So it goes through our enormous stock of Men's and Boys' Clothing, Shoes, and Furnishings.

Our great loss—your golden opportunity.
