1784 Aug. 11 James Clerk to Samuel Galloway

Mss. 1994

SIDE TWO

Mrs. Bensley — I heard from her & Mr. Bensley lately — they were very well — little Jenny is a very great favorite of Mrs. Bensley, she is wishing for him to be old enough to be sent over here. — and anticipates the pleasure she will have in seeing him. —

I have got the promise of the Fallow Deer for you which I will send out in a Vessel which we shall dispatch this month for Maryland — the Jack Ass shall go out in the Spring, as this will be a bad time of the Year for sending him. — By this opportunity you will receive some News Papers and Magazines, which I hope will afford you some amusement. —

My kindest respects to Mr. & Mrs. Cheston Mr. Rungold & family and your Sons —

Remember me to Miss Nancy Miss Fanny & little Jenny —

I am Dear Sir Your most obedt. hble. Servt.

James Clerk
