1784 SEPT. 14 JAMES CLERK TO SAM[UE]L GALLOWAY MS. 1984.

SIDE ONE

London 14th Sept. 1784

Dear Sir

I ~~had~~ the pleasure of writing to you by the Arethusa Capt Butler last Month, and as the Liberty is going to Annapolis I take the opportunity of writing a few lines by her, enquiring after you all at West River, — The London Packet Capt Ruther, a Vessel we are sending out to Maryland will sail in two or three days by her I shall write to you again, and send some News papers & Magazines &c. she may perhaps arrive before this —

I am much mortified at the disappointment I have met with about some Fallow Deer ~~which~~ that I was desirous of sending to you by the London Pacquet, as the Captain is a careful man and I could have depended on his attention to them, the Game Keeper who promised them to me, was to keep and
