1785 FEB. 5 JAMES CLERK TO SAMUEL GALLOWAY

MS. 1994

SIDE ONE

London 5th Febr.y 1785

Dear Sir

Since I had the pleasure of writing to you a few days ago by Capt Bradstreet ~~since which~~ Your favor, & Dennes came ~~to hand~~ it is unfortunate that I had not known the Does would have answered, as I could have depended on Capt Rutherfors care of them — this Summer however they may easily be procured — I ~~am~~ sorry to hear ~~the~~ London Packet had not arrived when you wrote — she must have had a very long passage — The things you order shall be sent out by our Ship to Patuxent which I believe will be out in Maryland in April —

By the Glory you will receive some News=papers, Magazines &c. and a box of Seeds — some of them you will do me the favor to spare ~~them~~

Letter
James Clark
