1785 MAY 16 JAMES CLERK TO SAMUEL GALLOWAY

MS. 1994

SIDE ONE

Dear Sir

I had the pleasure of writing to you p the John & Catherine in March last — and sent you by that Vessel some Mag.s & News papers — and a Jack Ass, which the Captain promised me to take particular care of — he is one of the best I could hear of, and is about 4 years old — I got him from the County of Norfolk — famous for those animals —

You will receive by this opportunity the News papers & Magazines to this time —

Mr. Pitt seems to carry every thing before him, his majority on the Irish business was very great —

We have had a very long continuance of dry weather which is very unusual at this time of the year — it is above two months
