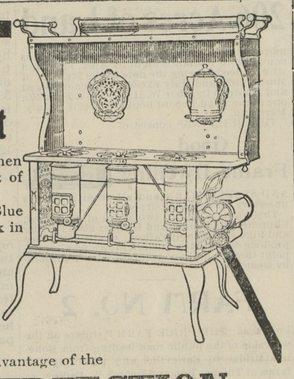
Plan for Summer Comfort



Don't add the heat of a kitchen fire to the sufficient discomfort of hot weather.

Use a New Perfection Wick Blue Flame Oil Cook-Stove and cook in comfort.

With a "New Perfection" Oil Stove the preparation of daily meals, or the big weekly "baking," is done without raising the temperature perceptibly above that of any other room in the house. Another great advantage of the

Has an ample top shelf for warming plates and keeping cooked food hot, drop shelves for holding small cooking utensils, and is even fitted with racks for towels. Made in three sizes, and can be had with or without Cabinet Top. If not at your dealer's address our nearest agency.

The **Rayo Lamp** gives perfect combustion whether high or low—is therefore free from disagreeable odor and cannot smoke. Safe, convenient, ornamental—the ideal light. If not at your dealer's address our nearest agency.

BASE BALL NEWS.

The little Orioles of Rock Hall crossed bats with the East Neck Island Stars on the latter's ground and was defeated by a score of 18 to 22.

University of Maryland had an easy time Saturday defeating Washington College 13 to 0. It was anything but baseball weather, the field being muddy, with a strong wind blowing at the time. It was the worse game that the locals have put up this year. Costly errors allowed the university to get its start, after which the Chestertown boys were completely at sea. Anderson proved to be a stumbling block, holding the home team well in check. The costly errors of Washington were due to the unusually bad condition of the field and disagreeable weather.

The C. H. S. Baseball team won from Millington on last Saturday by a score of 9 to 4. The game was very prettily played notwithstanding the wet grounds. Batteries: Millington, Moore and Tonkin; C. H. S., Jarman and Blackway. Jarman pitched an unusually good game. Millington will return the game next Saturday. They will play on the cannery lot near the old depot. A good game is expected.

The Massey's baseball team defeated the baseball team of Galena in a six inning contest by the score of 23 to 15 on the former's diamond.

The second baseball team of Massey's war defeated by Golt's is a three inning contest by the score of 12 to 1.

THE PAIN MADE HER FAINT

"For almost four years I had a sore on my leg," says Mrs. Olive Hurd of Madison, N. H., "and this spring a doctor healed it up. I felt fine for about a month but had to be on my feet a good deal and above my knee came a swelling as big as my fist. It hung down and was as red as if it had been blistered and so sore that I could hardly get around. The cords of my leg seemed to be stiff and the pain was so bad at times that it made me faint.

One of the neighbors told me about Sloan's Liniment so I got a bottle and put some right on. Next morning I could walk ever so much better and I kept right on using the Liniment night and morning. It took down all the swelling, and the redness and soreness have gone too. I shall never be without Sloan's Liniment in the house again and will recommend it to all suffering friends."

Record 2:15¼

Made in Third Heat of Winning Race

Bred by C. W. Williams, Galesburg, Ill. Foaled 1901. A model in every way. His size, 15.2 hands, weight close to 1050 pounds, and color, mahogany bay, are ideal. His disposition and manners are perfect. His breeding, the highest of fashion—a son of the greatest sire of his age, living or dead, Allerton 2.09¼, world's champion trotting stallion to high wheels, from one of the greatest producing daughters of Baron Wilkes 2:18, the famous Futurity sire. A race horse himself, never having worn hobbles nor other false rigging; started green in the late summer of 1906 in six races, winning two of them, and was well up into the money the other four, he has, (though prominent horsemen have pronounced him capable of a record of 2:05 or better), been retired to the stud, sound, clean, superbly handsome, with vigor and vitality unimpaired, saving for his offspring what a mere racing-machine wears out on the track.

PICKNELL will make the season of 1909 at my stable, Kent and Calvert Streets, Chestertown, Kent Co., Md., at $15.00 the season, or $25.00 to insure approved mares.

Will not be responsible for accident or escapes, but best care taken of mares sent to me. For extended pedigree that will interest any horseman or for fuller particulars call on or address
