Dear Sir

Maryland Aug 9th 1773

We have received your by Capt Harrison and are very sorry we should be so unfortunate as to have our ship at Market at so unfavorable a time for sales but must submit to it, we have now on the stocks a Ship of about 560 Tons which will be ready soon and expect to send her to you this fall. hope she will be in time for a good price she is of the old construction, not a round house but flush Deck and you will find her equal to any ship we have built say you have any friend that wants such a ship you may advise of her. as we have got her so forward that we find another smaller ship may be finished so as to load with the present Crop we determined to build her and you have inclosed an Invoice for her Riggon ~~[illegible]~~. & which we desire you will ship us by the first opportunity to any river in Maryland. we hope Capt Lunard will return if so he will be a good opp^y we ~~expect~~ draw this riggon will be purchased by you at 12 or 15 month Credit ~~it~~ in that kind you shall be in Cash to pay for it. we begg you will be careful in the Riggon and send us the Cheapest thats to be ~~got~~ if you have any turn Layd Riggon of your own you may send a Few of small rope to cauke & stuffe
