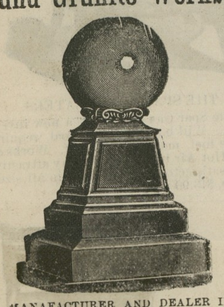
JESSE H. USILTON, Pres't.;
HARRY C. CACY,
CHARLES S. SMITH,
Supervisors of Election for Kent County.
JOHN G. ROLAND, Clerk. s11 tf.

Chestertown Marble and Granite Works



MANAFACTURER AND DEALER IN ALL KINDS OF

Monumental and Cemetery Work

Prices Reasonable. Work Guaranteed. Cemetery Posts, $1.00 and up.

J. WILLIAM KIRBY, Proprietor,
Successor to A. L. Davidson.

C. R. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes, "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." Sold by all druggists.

Changes of season affect cattle because their digestive organs have to become accustomed to the change of diet. This causes milk production to decrease. Forced feeding makes matters worse. Fairfield's Milk Producer fed regularly will prevent all these troubles and keep up production. Sold under written guarantee by dealers named in advertisement on page 1.

HER PHYSICIAN ADVISED

Taking Lydia E. Pinkham's Vegetable Compound

Columbus, Ohio.—"I have taken Lydia E. Pinkham's Vegetable Compound during change of life. My doctor told me it was good, and since taking it I feel so much better that I can do all my work again. I think Lydia E. Pinkham's Vegetable Compound a fine remedy for all woman's troubles, and I never forget to tell my friends what it has done for me."—Mrs. E. HANSON, 304 East Long St., Columbus, Ohio.

Another Woman Helped.

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms. Lydia E. Pinkham's Vegetable Compound restored my health and strength, and proved worth mountains of gold to me. For the sake of other suffering women I am willing you should publish my letter."—Mrs. CHARLES BARCLAY, R.F.D., Graniteville, Vt.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

A. P. MATTHEWS,
Chestertown.

MOTOR BOAT SAVED COOK

Comes To Rescue Twice At Critical Point—Thirty-Foot Launch Tows The Schooner 'Bradley' And Saves Lives.

Experiences from Dr. Cook returning from his polar expedition disclose the remarkable performance of a motor boat in his trip to the far north. This boat not only saved the lives of Dr. Cook and the members of the expedition but also towed the boats of an entire Esquimo village to safety and pulled the yacht "Bradley" out of danger when her engines were disabled.

The motor boat 'Farthest North" was taken with the "Bradley" for scouting expeditions and hunting and fishing trips. It was the first motor boat ever taken into the far north, and was used in the ice fields and in shallow water where the yacht could not go.

The first rescue work was performed near Oomanooi. The engines of the "Bradley" became disabled in very bad weather. The 30-foot motor boat with a 17 H. P. Ferro motor succeeded in towing her to a safe anchorage. The "Bradley" is a 100-foot schooner of a 112 gross tons and this was a very able demonstration of marine engine efficiency. While the repairs were made the motor boat was the only means of communication with the shore and was kept busy taking Dr. Cook and other members of the party back and forth.

When Etah, the then most northern point, was reached Dr. Cook and a small party in the "Farthest North" went on a scouting expedition in search of suitable winter quarters. Annotook, a town 25 miles farther north, was decided upon by reason of the abundance of furs and food there. Upon returning to Etah, the entire population of that village in the "Bradley" started for Annotook.

A strong wind had raised mountainous seas and on account of the unknown rocks, shallow water and drifting ice a safe anchorage could not be found for the yacht. The arctic storm threatened to engulf the entire expedition. The motor boat was pressed into service and with the greatest speed carried to shore the members of Dr. Cook's party, and a large amount of supplies and camp equipment. The boats belonging to the Esquimos were towed to shore as the sea was too rough for them to attempt it alone. Dr. Cook says: "The splendid efficiency of the launch was equal to the emergency, and in the course of about three hours all were safely put to shore in spite of threatening winds and forbidding seas."

The Ferro is sold by Mr. Louis Stam in Chestertown.

Children Cry
FOR FLETCHER'S
CASTORIA

IN MEMORIAM.

In loving remembrance of BERTHA MAY COX, who departed this life one year ago September 21, 1909, aged 16 years. One long sad year has passed,

Dearest daughter thou has left us.
And our loss we deeply feel.
But 'tis God that has bereft us
He can all our sorrows heal.
Yet again we hope to meet thee
When the day of life is fled,
When in Heaven in joy to greet thee
Where no farewell tears are shed.
MOTHER.

A precious one from us is gone,
A voice we loved is still,
A place is vacant in our home
Which never can be filled.
God in his wisdom has recalled
The boon his love has given,
And though the body slumbers here,
Her soul is safe in heaven.
FATHER.

Not now, but in the coming years.
It may be in the better land,
We'll read the meaning of our tears
And then sometime we'll understand
Why dear sister was taken,
BROTHERS AND SISTERS.

In remembrance of ESTHER WILBANKS who died September 23 at her father's home near Crumpton.

Dear Esther thou has left us.
We thy loss most deeply feel.
But 'tis God who has bereft us,
He can all our sorrows heal.
SUSIE JOINER.

Make large profits now. The price of eggs is rising. Fairfield's Egg Producer is guaranteed to increase the egg output by perfecting the hen's digestion, keeping her in health, thus hastening the development of her eggs.
