got a License to sue Aubrey Richardson the ~~first~~ Monday of December, he having neglected to give Security on his Bond tho' often required: and after License obtained told him that if he would stil give Security, the writ should not be sued, but he put off from Time to Time. And on Saturday the 16th Inst I told him that I could wait no longer he told me he would get Security on our Bar & such as the Committee would approve of, but he failed to do it. on Thursday 21st Inst. put the Bond in Mr Alexanders Hands to be put in Suit
