CHURCH NOTES

In church discussions, the rural church, in its struggle for existence, is one of the vital questions of the day. At the late General Conference in Portland, all matters pertaining to its interests and welfare, were turned over to the Social Department of the church of which the Rev. Charles N. Lathrop is the General Secretary. Mr. Lathrop called for a conference of those most prominently engaged in that work. This conference was held in Philadelphia the 8th and 9th, Thursday and Friday of this week. Dr. S. S. Hepburn, on account of his long experience in both Virginia and Maryland was among the conferrees. This together with other matters will keep him out of the county over Sunday. Both his churches will be closed.

The members and attendants of Grace Presbyterian Church will please note that the services February 11 will be held at 11 o'clock as usual, but instead of being held in our own church building, they will be held in the M. W. C. T. U. COUNTY MEETING

A county executive meeting of the W. C. T. U. was held at the Elementary School, Chestertown, February 3, 1923. The meeting was opened with the Lord's prayer. Minutes of the autumn meeting were read and approved. The report of the treasurer showed a balance of $648.21.

Work was reported from all the Unions. One barrel sent to the kindergarten, another donation to be sent soon, works of mercy, Sunday school temperance work, and temperance literature distributed.

There have been 2 new Loyal Temperance Legions organized as a result of Miss Green's visit in September. The work in the "Maria Corey" Young People's Branch is growing.

Miss Townsend plans to have Mrs. McCulloh in the county in the spring in the interest of the Y. P. B. She has two splendid locations in mind for new branches.

We were asked to call attention to March 13th, Mrs. Haslup's birthday, to be celebrated with a "White Ribbon Herald" Shower.

Since our last meeting the county has lost two of its most devoted workers—Mrs. A. S. Turner and Mrs. Sarah M. Usilton. Poor health had prevented them from giving active service recently, but Mrs. Turner had the work with the young people, very much at heart.

The following resolutions are submitted by two of Mrs. Usilton's coworkers thru many years of service:

Whereas, The Woman's Christian Temperance Union of Kent County holds in tender remembrance the life of Mrs. Sarah M. Usilton, and

Whereas, her fidelity to the temperance cause, her sympathy with its interests, and her unstinted services, call for an expression of appreciation, we desire to pay the following tribute to her memory;

Resolved, That in the passing of Mrs. Usilton, we have lost a pioneer temperance worker.

Resolved, That as a charter member of the Woman's Christian Temperance Union of Kent County Mrs. Usilton assisted in promoting the arrest of thought, the advancement of sentiment and the intelligent cooperation that have been instrumenntal in securing national prohibition.

Resolved, That in the long years of service as corresponding secretary of the Kent County Union she manifested her faith in the righteousness of the cause in which she labored and gave inspiration and encouragement to her co-workers.

Resolved, That we cherish the memory of her Christian character, her years of service, her hospitality, and the privilege of visiting her during her illness.

It was with much sorrow that news was received Tuesday morning that Mrs. Mary Leary, nee Burgess, wife of James Leary and mother of Wm. E. Leary, had just passed away. The deceased has been an invalid for several years from heart trouble.

At Wesley Chapel the election of Sunday School officers resulted as follows: Superintendent, S. Levin Gale has been very ill for the past two weeks.

Ku Klux Klan in Rock Hall has begun to make itself manifest in that neighborhood. Recently a well-known resident of that town received a letter presumably from members of the Klan stating that his further residence in the town was not desired. The letter was written in such positive terms that the man at once left for Baltimore in search of a house, and finding one, later returned to Rock Hall for his goods and family. After he had about gotten settled in Baltimore he received a second letter from the Klan stating that he had done well to move to another place, but that he had not gone far enough from Rock Hall, and he was ordered to go elsewhere. He was told to keep on going and the man is beside himself to know what to do.

Farmers find the cost of the production of milk to have considerably increased on account of the short growth of wheat which at this season of the year usually furnishes good pasture for the cows. Wheat has scarcely made any growth during the fall and winter and some of the fields are as bare apparently as the roads. As a consequence many of the farmers have been compelled to buy an extra supply of high priced dairy feeds.

Washington Takes Fast Game

In the fastest game played on the local court this season Washington College defeated Dickinson Friday night, 19 to 12. The battle was interesting and the score was always close. The fact that both teams used the five-man defense accounts for the low score.

Carrington was the star of the contest, scoring four times, while Carroll came next with two baskets. Both of these are members of the local five. Dumschott and Gordy were the others to score for Washington. All of the Dickinson men played well, each one making at least one goal except P. Johnson.

Carroll and Smith staged a foul-shooting battle, each having seven chances. Carroll made three and Smith four.
