No. 2216 Chancery
In the Circuit Court for Kent County, Md.
In Equity.

The object of the Bill filed in the above entitled case is to procure a Decree for the sale of the Real Estate of Richard R. Cochran, deceased.

The Bill states:

FIRST—That Richard R. Cochran, late of St. Georges Hundred, New Castle County, and State of Delaware, died on or about the twenty-fifth of August, A. D. 1915, having first made and published his last Will and Testament, which was duly executed, admitted to probate and recorded in the Office for the Registry of Wills, in and for New Castle County, Delaware, a duly exemplified copy of which said Will, in compliance with the Act of Congress relating thereto, is filed with this bill of complaint, and prayed to be taken as a part hereof, as fully as if the same were recited herein in totidem verbis and is marked "Plaintiffs' Exhibit No. 1"; and another similar exemplified copy is filed in the Orphans' Court for Kent County, Maryland, as may appear by refference being had to Will Records, Liber J. R. C., No. 1, Folio 152, etc.

SECOND—That at the time of his death, the said Richard R. Cochran was seized in fee of a certain plantation or tract of land situate in Kent County, Maryland, and known as "Lun's Point," containing Five Hundred and Twelve Acres, more or less, and of which among other lands, he disposed in language following, to wit:

"I do give, devise and bequeath all of my estate, real, personal and mixed, of whatever kind and description, and wherever the same may be situated, and which I may possess at the time of my death, to my beloved wife, Frances R. Cochran, for and during the term of her natural life and no longer. After and immediately upon the death of my said wife, I do give, devise and bequeath all of my estate as aforesaid devised and bequeathed to my wife during her natural life, and the reversion and remainder thereof, to my children, Frances Shallcross, wife of William O. Shallcross, Sara V. Plummer, wife of Frank Plummer, Robert T. Cochran, Agnes L. Hutchinson, wife of Louis Hutchinson, Bessie D. Green, wife of William Green, and Edith P. Cochran (single woman), to have and to hold the same in common to them, my said daughters and son, their heirs and assigns forever share and share alike."

THIRD—That the said Edith P. Cochran, after the death of her father, the said Richard R. Cochran, inter-married with the above mentioned Thomas Pollard, of the City of Philadelphia and State of Pennsylvania, and afterwards, in the lifetime of her mother, the said Frances R. Cochran, died on or about the Seventh day of January A. D. 1920, having first made and published her last Will and Testament, which, after her death, was duly admitted to probate and recorded in the Office for the Registry of Wills, in and for the City and County of Philadelphia and State of Pennsylvania, a duly exemplified copy of which, according to the Act of Congress in such case made and provided, is filed in the Orphans' Court for Kent County, Maryland, and is filed herewith as a part hereof and marked "Plaintiffs' Exhibit No. 2," as may appear by reference being had to Will Records, Liber R. R. H. No. 1, Folio 285 and prayed to be taken as a part hereof as fully as if the same were recited herein in totidem verbis; wherein and whereby, she devised the whole of her interest in the above mentioned lands and tenements to her husband, the said Thomas Pollard, in fee.

FOURTH—That the said Frances R. Cochran, the life tenant under the hereinbefore recited will of Richard R. Cochran, deceased, died on or about the thirteenth day of June A. D. 1921.

FIFTH—That, as appears from the foregoing statement of facts, the said Frances R. Cochran, wife of the said Richard R. Cochran, took under his said recited Will, a life estate, and that each one of his six children took a one undivided sixth interest in fee simple, in said lands and tenements by way of a vested remainder: And that the said Thomas Pollard took, under the said recited Will of his wife, the said Edith P. Cochran, all of her undivided one-sixth intertst therein, in fee simple.

SIXTH—Your orators file herewith an exemplified copy of the first and final settlement of the administrators, d. b. n. c. t. a., of the estate of Richard R. Cochran, late of St. Georges Hundred, New Castle County and State of Delaware, deceased, by which it appears that on the twenty-eight day of July A. D. 1922, after the payment of the debts of the said Richard R. Cochran, there remained in the hands of the said Administrators, d. b. n. c.tt. a, Two thousand, twohundred and eighty-two Dollars and Twenty-two cents ($2,282.22), and mark said copy of account "Plaintiffs' Exhibit No. 3" and pray that same may be taken as a part hereof as fully as if same were herein recited and set forth at length, and that the said Richard R. Cochran's estate is solvent and there remains no unpaid debts due from him.

SEVENTH — Your Orators further show unto you Honours that the said Harriet E. Cochran, wife of Robert T. Cochran, on or about the second day of October A. D. 1914, was lawfully committed to the Delaware State Hospital at Farnhurst, in New Castle County, under treatment for lunacy, and is still an inmate of said hospital, insane and unable to execute any deed or contract; by reason of which fact no good and valid deed can be made by the remaining tenants in common, who are all of full age and competent to execute a deed for said farm.

Your Orators show that by an Order of the Court of Chancery in the State of Delaware, in and for New Castle County, under a petition filed by Robert T. Cochran, passed by the Chancellor of the said Court, on the 26th day of September, 1922, Elizabeth Cochran Green was appointed Trustee for the person and estate of the said Harriet E. Cochran, as will appear by reference to an exemplification of the proceeding in the said Chancery Court and the Order of the Chancellor which is filed herewith and prayed to be taken as a part thereof, as fully as if the same were herein set forth in full and which is marked "Plaintiffs' Exhibit No. 4." And in view of the fact that it is extremely unlikely that the said Harriet E. Cochran will ever recover her mental faculties or become sui juris, her interest in this estate (which is an inchoate right of dower) should be placed in the hands of a committee, or trustee, appointed by this Honorable Court, so that the same be conserved and held for her benefit and support; and they allege that this is a proper case for the help, assistance and guidance of this Honorable Court, which they humbly seek and ask, since it is not possible to divide the said land among the parties interested therein, into six equal shares of nearly equal value without material loss and injury.

EIGHTH—Your Orators further show unto your Honours that the said farm is a large and valuable estate, lying in the First Election District of Kent County, Maryland, near the town of Galena, but since the death of the said Richard T. Cochran, who always gave it his personal and intelligent supervision and control, it is worth much less now than it was at the time of his death, and is likely to continue to deteriorate in value because none of the tenants in common reside in the State of Maryland, and are not sufficiently interested, nor have the time or inclination to give this estate such attention as farm lands require at the hands of their owners. They therefore allege and aver that it is to the interest of each of the parties entitled to have the said farm sold by a Trustee, to be appointed by this Honourable Court, and the proceeds divided among those entitled to shares therein, according to respective interests.

NINTH—That the farm and dwelling house and outbuildings are so situated that it would be impossible to divide the same among the parties entitled, into six shares of anything like equal value: The tract of land can only be used for farming purposes, and the dwelling and outbuildings, being adequate for a large farm, would be superfluous for a smaller one, and while without sufficient land attached to the messuage, the share with such buildings would be useless for anything except it be used for a home. And furthermore, the land does not lie in a part of Kent County where it is at all likely to invite its division into building lots, or to be used for any purposes other than a farm; and if it were divided into two or three farms, the cost of same would be prohibitive, and none of the parties interested therein could afford it, nor do they believe any third persons would bid on the same with this in view.

It is thereupon this 15th day of March A. D. 1923, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four sussessive weeks before the 16th day of April next, giving notice to the said Robert T. Cochran, Harriet E. Cochran, Thomas Pollard, Laura C. Pollard, James W. Crouch, Trustee of Harriet E. Cochran, Elizabeth Cochran Green, Trustee for the benefit and estate of Harriett E. Cochran, duly appointed in the Chancery Court of the State of Delaware in and for New Castle County, non-resident defendants, warning them to appear in this Court in person, or by Solicitor on or before the 30th day of April next, to show cause, if any they have, why a Decree ought not to be passed as prayed.

SCHOOL ATTENDANCE RECORD IS LOW

Percentage Of Attendance Of White Schools For Month Of February, 1923

The attendance record of the white elementary schools of the county is very low for the month of February. In spite of the earnest effort made by the teachers and pupils to keep their records at least as high as the per cents. for January they fell below in many instances. The lower average attendance of these schools was due to epidemicc in several sections of the county continuing to increase throughout the month and the unusually bad weather and road conditions.

Those boys and girls who have had to be out of school so much time during the winter months are determined to make good their loss. They ask too that all those who are interested in their education watch the records of their schools grow with the coming of spring.
