Some Gent.ⁿ Met the Other Day at Anapolis and came into some Resolves Respecting the Association contrary to the general sense of the people, who are Determined to import; I inclose you a Copy ~~of them~~ but you need not pay the least Regard to them —

I send Acc.t of Sales of the Cargo of Goods imported in 1769. some of the Most unsaleable Articles are still on hand —

I forgot to Mention ~~to~~ it would be necessary to have the Goods you send out from the Manufacturers themselves, as it will make a great deal a Difference in the Quickness of the Sale. the Lower they come the less time they will stick on hand.

Capt.ⁿ Maine since he has been in the County has conducted himself with Care diligence & industry & I really think him a clever Fellow in his Profession — Underneath you have Acc.t of Slaves on board, the Amt. of which you will please C. the Acc.t of Goods imported in 1769. I have drawn three Bills on you viz.ⁿ One to Francis Leake £20. One to Capt.ⁿ Samuel Nicholson £20. & the other to Capt.ⁿ Maine for £128.16.4 all which I have no Doubt will be honored
