COULD HARDLY DO HER WORK

Lydia E. Pinkham's Vegetable Compound Made Her Eat, Sleep and Feel Better Every Way

Chicago, Ill.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time, and dizzy, and could not sleep and had no appetite. I tried different medicines for years, but they did not help me. Then I read in the papers about Lydia E. Pinkham's Vegetable Compound and what it had done for other women and gave it a trial. I began to eat better and could sleep, and consider it a wonderful medicine. I recommend it to my friends and will never be without it."—Mrs. M. OHLEN, 3640 S. Marshfield Ave., Chicago, Illinois.

It is such letters as these that testify to the value of Lydia E. Pinkham's Vegetable Compound. This woman speaks from the fullness of her heart. She describes as correctly as she can her condition, first the symptoms that bothered her the most, and later the disappearance of those symptoms. It is a sincere expression of gratitude.

For nearly fifty years Lydia E. Pinkham's Vegetable Compound has been so praised by women.

A GOOD START FOR W. C.

The Marines defeated Washington College 19 to 0 in their clash at Winchester, Va., Saturday, Although greatly outclassed, the Eastern Shore men several times turned back the Marines' attack in the shadow of the goal posts. Crowe on one occasion carried the ball for 30 yards through Marine territory before he was halted. Reiger, McGran and Negri also played well for the Chestertown eleven.

Ridgely and Neale were the principle ground-gainers for the marines.
