The Taste Is The Test For Rose Bud Flour!

And It's Economical, Too!

Good cooks have discovered that Brooks Mills' Rose Bud Flour is an unequaled all purpose flour. It will make light flaky biscuit, fluffy rolls, delicious bread loaves and cake of the best.

It is the cream of the wheat with nothing of the goodness left out, and no adulteration added. Finely milled and bolted to a pure fine white that can be used in every baking with the variety of splendid results. Your grocer has it—give it a trial.

Rose Bud Cake Recipe

WHITE LAYER CAKE

Those who make good cake say it is easy, but most cooks know that cake is exacting as to flour.

½ cup shortening, 1 cup granulated sugar, ½ cup water, 2 cups Rose Bud Flour, 2 teaspoons Royal baking powder, whites of 3 eggs, 1 teaspoon extract.

Cream shortening and sugar together until very light; add water slowly almost drop by drop, and beat constantly; add flavoring. stir in the flour, salt and baking powder which have been sifted together twice; fold in the whites of eggs which have been beaten until stiff and dry; pour into two greased layer cake tins and bake in moderate oven 20 to 25 minutes. Put together with the following:

MOCHA ICING AND FILLING—1 tablespoon butter, 1 cup confectioneer's sugar, 1 tablespoon cocoa, 2 tablespoons strong coffee, ½ teaspoon salt.

Cream butter and sugar and stir until very creamy; add cocoa, coffee and salt and stir until smooth. If too dry add more coffee and if too moist, more sugar, spread between layers and on top of cake.

Two Cash Prizes For Grocers

$10 First Prize
$10 Second Prize

These prizes are for the best display of Rose Bud Flour. During the weeks of November 26 and December 3 inspectors will call at each store to decide the winner. Allowance will be made for those who have no windows in which to make window display. Try your hand—everyone will have an equal chance.

meeting of the Kent Neck Farmers Club, to have the new bridge which is to be built across the Chester river made into a memorial for the soldiers and sailors of Kent and Queen Anne's county who served in the World War. W. Irving Walker is the prime mover in the plan to have Governor Ritchie sanction and back the proposal.

Along before the war it was planned to build a new bridge connecting Queen Anne's and Kent counties at Chestertown, but action was deferred owing to the hostilities. Now, if present plans prove successful, the bridge will be built some time next year. Mr. Walker is to confer with Governor Ritchie this week in an attempt to gain his support in having the bridge made a memorial with fitting decorations symbolizing the World War soldiers and sailors of the two counties. Further, Senator Dudley G. Roe, and Queen Anne's representatives at Annapolis and Senator W. B. Copper and Kent's representatives are to be waited upon by the committee designated, and asked to lend their whole-hearted support to the movemetn.

Both counties will be greatly benefited by the completion of the proposed bridge. According to State authorities more than a half-million cars pass over the bridge annually, the road which it contains being the main artery to the Eastern Shore.
