Yr Sloop brought me yrs of the 14th Instant. The Corn held out very well, But it was excessively foul, so much so, that I thought it necessary to have a Survey on it; You have the Certificate of Survey inclosed, by which You'll see the Gentlemen who surveyed it think an allowance of 2½ ⅌ Ct ought to be made on it; It was the dirtiest I ever saw, I am certain it neither has been winded or fanned since it was beat out, & I question whether 2½ ⅌ Ct will make up the Loss. I expect to see You in a few days till when I am with Compts to Mrs Smyth
