CHURCH NEWS.

Convention of the Diocese of Easton to be Held in Shrewsbury Parish.

The Northern convocation of the Diocese of Easton will be held in Shrewsbury parish, Kent county, Maryland, September 10 and 11. Bishop William Forbes Adams is president, Rev. Giles B. Cooke dean and Rev. Samuel Edson, rector. The program will be as follows: Shrewsbury Church, Wednesday at 10.30 A. M., sermon by Rev. William M. Jeffries, D. D., of Wilmington, Del,; celebration of the Holy Communion; collation; 3 P. M., subject "Parable of the Sower." speakers Revs. Wm. A. Coale and William Schouler.

Thursday at 10 30 A. M., sermon by Rev. Lawrence B. Rigely, of Hankow, China; addresses on missions by Revs. William Schouler and C. T. Denroche; chapel at Galena, Thursday at 7.30 A. M., subject "Parable of the Sower," speakers Rev. C. T. Denroche, Albert Ware and William A Coale.

Rev. S. E. Nicholson, representing the Anti-Saloon League, filled the pulpit of Christ M. P. Church Sunday morning and evening and delighted his audiences. This League is doing effective work in Maryland, awakening public sentiment, enforcing law and assisting in ferreting out violators. The speaker is a giant in statue and intellectually measures up to his physical proportions.

The improvements being made to the interior of the Chestertown M. E. Church are progressing finely and the re-opening will likely be held early in October.

Messrs. Bowers & Stavely have the work well under way on the churches at St. James and at Lynch's and dedication services will be a big event this Fall.

Rev. A. D. Melvin, D. D., field secretary of the Western Maryland College, preached at Wesley Chapel last Sabbath morning.

Regular preaching service at Kesley hereafter, will be at 3 p. m. every Sunday.

A new coat of paint has just been put on Wesley Chapel. A new chandelier has also been recently purchased.

Rev. J. L. Elderdice and son, Raymond, have been visiting Dr. R. B. Elderdice in Adams county, Pa. A day was spent in going over the battlefield at Gettysburg.

The thirty-fourth annual report of the Diocese of Easton, Protestant Episcopal Church, shows 156 confirmations during the year, making the present number of communicants 3,709 and 8,606 parishioners, of whom 7,704 have been baptized. The parishioners are made up from 2,003 families; 225 persons were baptised during the year, of whom 16 were adults and 239 infants; 74 couples were married and 166 persons buried. There are now 277 Sunday School teachers and 1,805 pupils. Churches and chapels are valued at $293,050 and rectories $66,700. The churches have $38,325.93 invested. There are 114 church organizations and societies in the diocese. There was a net gain in communicants over last year of 439. This was brought about principally by 235 communicants moving into the diocese, while but 95 moved away, and few deaths.

Rev. D. L. Greenfield returned from his vacation Monday night and will fill his pulpit Sunday.

The opinion is almost general that Drs. Corkran and Martindale will not be reappointed presiding elders. If two new presiding elders are to be named, it is argued, the assignment of Drs. Corkran and Martindale to desirable pastorates will figure considerably in the deal.

Dr. Corkran is mentioned for the pastorate of the Easton Church, and Rev. C. A. Grise, the present pastor of that charge, is suggested as Dr. Corkran's successor as presiding elder. Dr. Corkran is also mentioned for the pastorate of the Union Church, Wilmington, and Rev. R. H. Adams, D. D., its present pastor, is suggested for the Easton district presiding eldership. Union Church, it is said, would have received Dr. Corkran gladly when Rev. John D. C. Hanna, D. D., vacated its pastorate, and it is hinted that Union would welcome him now if Dr. Adams should be appointed presiding elder. There are also whispers of Dr. Corkran being transferred to another conference.

Dr. Martindale is mentioned for the pastorate of one of three churches, St. Paul's and Harrison St., Wilmington, and Tome Memorial, Port Deposit; and the respective pastors of those churches, Revs. W. L. S. Murray, D. D., J. W. Easley and A. S. Mowbray, D. D., are suggested for the Salisbury district presiding eldership.

Rev. K. M. Bull has returned from visiting relatives and friends at Kennett Square, Nottingham and Tremont, Pa., and will occupy the pulpits of Grace and Worton Presbyterian Churches tomorrow at the usual hours.

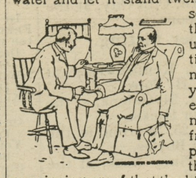
Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.



What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

FARMERS! FARMERS!

Now is the time to look to your own interest and now is the time to use LIME on your Land.

DANIEL HILL and SON,

are prepared to furnish you the Best Magnesia Lime on this market. It is known as the old Rambo Schuylkill Lime. It has been in use for the last 50 years, in this and other counties and has made land grow grass where there never was any. Will guarantee to kill sheep sorel or any other obnoxious weed or briers. It will sweeten the land and raise Wheat or Corn with any fertilizer. There is no other fertilizer on the market to eqnal it but barn yard manure.

This lime is now known as the McCOY LIME CO., formerly by Mr. Wm. Rambo and Nathan, his father, of the Schuylkill Valley, of Montgomery county, Pa.

This lime runs 45 per cent. Magnesia and is what the land wants. Any and all good old Kent farmers can tell you it is what is wanted on this or any other land.

☞ We can deliver this lime by R. R. at any station. We would be pleased for you to call or write before placing your orders.
