Miss Alice Bailey, of Atlanta, Ga., escaped the surgeon's knife, by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness **Lydia E. Pinkham's Vegetable Compound** has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it **inflammation of the ovaries,** and proposed an operation.

"I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes."—MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga.—*$5000 forfeit if original of above letter proving genuineness cannot be produced.*

All sick women would be wise if they would take Lydia E. Pinkham's Vegetable Compound and be well.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold.

Don't pay $1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

8 & 6 makes 14, therefore when you want fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than $1.20 per gallon.

Many houses are well painted with four gallons of L & M. and three gallons of linseed oil mixed therewith.

These Celebrated Paints are sold by F. H. Harper & Son, Still Pond; J. W. Ivens, Worton, Md., and Smith & Graham, Chestertown, Md.

WEDDING EVENTS.

[WRITTEN FOR THE NEWS.]

The home of Mrs. J. J. Reese (cousin of the bride) 1533 Linden avenue, Baltimore, was the scene of a very pretty wedding on Wednesday, the 24 instant, at 11 a. m. Miss May Lavinia Francis, of Baltimore, formerly of Kent county, and Major William Landis, of Oxford, N. C, were the contracting parties. The ceremony was performed by Rev. Robt S. Coupland, of Ascension P. E. Church. The drawing room was decorated with palms. They were placed in the bay window, forming a bower, in which the clergyman and the bridal party stood during the ceremony. At the first strains of the wedding march from Lohengrin, beautifully rendered by Miss Dosch, the bridal party entered. First the bridesmaids, Misses Jennie and Carrie Francis, from the opposite ends of the long drawing room, up the aisles formed with white ribbons held by the handsome young ribbon boys, Masters Harry Eliason, Robt. Francis and Lowell Monroe. The bridesmaids wore dresses of white chiffon, with picture hats, and carried pink carnations. Next came the matron of honor, Mrs. F. W. Blake, of Norfolk, Va. The groom, with his best man, Col. S. W. Minor, of Oxford, entered from the library, while the bride, with her brother, Mr. Robert Francis, entered by the south door of the drawing room. The bride was beautifully gowned in gray crepe de chine and carried violets. The presents were numerous, costly and beautiful.

Among those present at the wedding and at the luncheon given the evening before by Mr. and Mrs. Robert Francis were Mr. and Mrs. Edward Smith, Mrs. Wm. P. Francis, Miss Harding, Mr. W. F Smith, Mr. and Mrs. Frank Holten, Mrs. Robert Francis, Captain W. C. and Mrs. Eliason, Mr. W. C. Eliason, Jr., Mr. and Mrs. John Naudain, Misses Ethel and Louise Francis, Mr. Walter Francis, Mr. and Mrs. J. J. Reese, Misses Bessie and Louise Reese, Eva and Lillian Busic, Mary Holten, Belle Mariot, H. Pracht, Amanda and Augusta Cruikshank, Indiana Comegys, Dr. Barrett Ca lin. After the ceremony Major and Mrs. Landis left for New York amid showers of rice. They will return to "The Land of the Sky" March 15th.

Mr. Charles Albert Rawleigh and Miss Sadie Elsie Gardner, both of Chestertown, were quietly married on Thursday evening at 7 o'clock at the M. P. Parsonage by Rev. D. L. Greenfield. The bride wore a becoming costume of brown cloth trimmed in white silk, with hat and gloves to match. She was formerly clerk in C. S. Smith's store. The couple left on the steamer Corsica for a short bridal trip. They will make their home in Chestertown.

Hicks' Forecast For March.

The first storm period will be central on the 4th, and the chances are good for violent gales, especially over the south Atlantic and Gulf regions. Heavy rain and snow in the interior part of the country, with a blizzard in the north and west, and a cold wave in the east. The weather will be unsettled and bleak from the 6th to the 8th followed by warmer with cloudiness and rain until about the 15th. From the 15th to the 18th a blizzard will pass over the north and west, with dangerous eastern gales along the atlantic. Warmer weather and falling barometer will end in a more decided disturbance on the 23rd and 24. About the 27th a general change to warmer weather will begin to move out of western extremes, with cloudiness and threateniug. During the 29th, 30th and 31, these conditions will break into general and active storms, rain, wind and thunder will visit most southern parts.

HORRIBLE DEATH FROM BURNING

Miss Leona Hirons, 12-year-old Daughter of Mr. and Mrs. Samuel Hirons the Victim.

Little Miss Leona Hirons, the bright and attractive daughter of Mr. and Mrs. Samuel Hirons, of the George W. Turner farm near Dover, died at 10 o'clock last Wednesday night as the result of a horrible burning accident. The little girl, who was but 12 years old, was caressing a lamb Monday afternoon which was brought in the house in an almost drowned condition, and in stooping in front of the stove her skirts caught fire. Her mother was in Smyrna at the time and her father was in the woods back of the farm. In her awful predicament she tried to get water at the pump and failing she rushed out and rolled in a mud puddle. A little colored boy arrived and poured some water on her burning clothes. The fire was extinguished, but not before it had done its awful work. Dr. J. W. Clifton was summoned and the little girl was found in a horribly burned condition. There seemed to be no hope for her recovery.

TRADE MARK

THE leading farmers and canners through Pennsylvania, New Jersey, Delaware and Maryland speak in their praise, declaring them to be positively the *cheapest,* the *safest,* the *best,* to use. Once a trial, always a patron. Wouldn't it be a good idea for you to try them?

FOR HAY—

Top dress your grass this month. We have a goods that works wonders for this purpose. Try it and the cost per acre will cost less than you imagine.

ASPARAGUS—

Are you going to do anything to it this spring? If so, we have the goods. It has Nitrate of Soda and Fish as the source of ammonia, and runs high in Potash and Phosphoric Acid. Some of the finest asparagus grown in the county is with this goods. Ask Mr. James Bell, Mr. Klinefelter and Mr. Crew what it did for them.

PEACH TREES—

It looks now as though we were going to have a crop of fruit, and as many orchards have been dug up don't you think it would be a good idea to feed your trees with our Fruit Grower, as it has given such universal satisfaction? Then, too, it will only cost you about two cents per tree to dress them with this goods. We have scores of testimonials concerning it.

POTATOES—

Mr. John C. Turner, of Millington, writes voluntarily under date of Dec. 1, 1903: "On July 16th I planted some late potatoes, using your potato manure, one bushel on a piece of ground 624 feet long and 14 feet wide, about one-sixth of an acre. The vines grew vigorously, were dark green, and at first thought they were going to vine; but soon found the potatoes were making, and I dug 60½ bushels off that patch of ground, or about 400 bus. per acre. I also used it on my early ones, and they were the finest I ever raised. Brought 5 cents more per basket than any sold in our market. I shall certainly want more this spring."

FOR CORN—

You fertilize your wheat, why not your corn? It will pay. We have many customers who use it year after year. Such gentlemen as I. R. Leaverton use it annually, and farmers like Ham L. Crew have used it for 10 or 12 years, and J. Alfred Bramble says it pays him handsomely. And where will you find better or more successful farmers than these gentlemen?

We have one man in Delaware already ordered 70 tons. We have two more in Maryland who have their orders booked now for 20 tons each, and so on we could give them to you by the score.

FOR TOMATOES—

Well, you have heard about our Peerless. Mr. Jacob Shriley says it is the best goods he ever saw for tomatoes. Mr. Stewart Graham writes where Peerless went alongside another goods; one looked like manured and the other as if it had none, and that Peerless yielded over one-third more tomatoes.

Mr. B. H. Moore writes: "I used Peerless on 2 acres, sold 27½ tons at 12 cts. per basket; netted me $198.40." D. F. Loose says one ton netted him $96.00 more than another ton of $18.00 goods alongside. C. R. Dashiel says he would have it if it cost $50.00 per ton. Smith, Rouse & Webster, the great canners, say they never heard of goods spoken of more highly. We can furnish hundreds of testimonials. Many have told us their yield from it was four and five tons more per acre.

☞Now, if you want to sow OATS or top dress your STRAWBERRIES, plant SWEET POTATOES or need a goods for TRUCK, or want anything in the FERTILIZER line, please call on or correspond with us before making your purchases.
