A prominent Southern lady, Mrs. Blanchard, of Nashville, Tenn., tells how she was cured of backache, dizziness, painful and irregular periods by the use of **Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—Gratitude compels me to acknowledge the great merit of your Vegetable Compound. I have suffered for four years with irregular and painful menstruation, also dizziness, pains in the back and lower limbs, and fitful sleep. I dreaded the time to come which would only mean suffering to me.

"Better health is all I wanted, and cure if possible. **Lydia E. Pinkham's Vegetable Compound** brought me health and happiness in a few short months. I feel like another person now. My aches and pains have left me. Life seems new and sweet to me, and everything seems pleasant and easy.

"Six bottles brought me health, and was worth more than months under the doctor's care, which really did not benefit me at all. I am satisfied there is no medicine so good for sick women as your Vegetable Compound, and I advocate it to my lady friends in need of medical help."—MRS. B. A. BLANCHARD, 422 Broad St., Nashville, Tenn.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy. **Lydia E. Pinkham's Vegetable Compound** at once removes such troubles. Refuse to buy any other medicine, for you need the best.

A Severe Case of Womb Trouble Cured in Philadelphia.

"DEAR MRS. PINKHAM:—I have been cured of severe female troubles by the use of **Lydia E. Pinkham's Vegetable Compound.** I was nearly ready to give up, but seeing your advertisement I purchased one bottle of your medicine, and it did me so much good that I purchased another, and the result was so satisfactory that I bought six more bottles, and am now feeling like a new woman. I shall never be without it. I hope that my testimonial will convince women that your Vegetable Compound is the greatest medicine in the world for falling of the womb or any other female complaints."—MRS. MAY CODY, 2660 Birch St., Philadelphia, Pa.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Her address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it.

PROF. AND MRS. CONRAD HOME FROM HONEYMOON

Spent Most Of Time Traveling In Germany.

Prof. Luther T. Conradi, principal of the Maryland School of Music at Lutherville and wife returned to Baltimore Friday morning aboard the North German Lloyd liner Main after an absence of three months abroad. Prof. Conradi left Baltimore on June 8, immediately after his marriage to Miss Mary Hurtt, of Chestertown, and the trip abroad was also their honeymoon.

Practically all of Prof. Conradi's time abroad was spent in Germany and a large part of it in Dresden, where he was the guest of Prof. Richard Bermeister, formerly of the Peabody Institute and now director of the Royal Conservatory of Music at Dresden. In company with Professor and Mrs. Burmeister, Professor and Mrs. Conradi went to Bayreuth to attend the annual Wagnerian festival there.

"'Parsifal' is given on a grand scale at Bayreuth," said Professor Conradi, "and in the midst of surroundings which heighten its effect and make its rendition truly impressive. The production at New York last winter of the same opera lacked the impressive feature of the Bayreuth production."

While in Dresden Professor Conradi gave a public recital, during which he played for the first time in Germany Professor Burmeister's concerto. This was by special invitation of Professor Burmeister, whose pupil he was for several years. German papers, and especially the musical ones, speak highly of the concerto, which they say is modern in theme and gives promise of great work from Professor Burmeister, and to Professor Conradi they accord the most flattering praise. His work was spoken of with enthusiasm by all the writers and he was heartily congratulated by some of the best known pianists in Dresden, Berlin and other German cities.

After leaving Dresden Professor and Mrs. Conradi wandered around Germany for several weeks and spent one whole week in the famous Thuringen forest.

GONE ON A LONG TRIP.

United States Marshall William R. Flinn left Sunday for the longest trip ever made by a marshall from district Dover district with a prisoner. The marshall is to take Edwin Rose to Hawaii to answer the charge of stealing a hat valued at $7 from the registered mail there. Rose has pleaded guilty to the larceny of the hat from the mails, but it is necessary to deliver the prisoner to the district where the offense was committed so that he may be tried in court there. The marshal is accompanied by Mrs. Flinn and by Raymond Flinn, a son of the marshal, who is a special guard for the prisoner. They will go to San Francisco by train and thence by boat to their destination. They will be gone at least six weeks and the government will have to pay over $1,000 in order to deliver the prisoner to the place where the offence was committed, but that is the law and the cost of the article stolen cuts no figure.

BRYAN SAYS ONE X MARK IS ENOUGH.

Reiterates Opinion as to The Votes For President—Declares Officially That It is Not Necessary To Place Mark Beside Each Elector's Name.

The printed instructions prepared by Attorney General William Shepard Bryan, Jr., for the guidance of judges of election, and also for the voters were sent to the Supervisors of Elections of Baltimore City, Monday. The directions given by Mr. Bryan for marking and counting the ballots in regard to the Presidental electors are in line with his opinion as at first given in newspaper interviews, and are to the effect that a cross mark after the name of the Presidential candidates must be counted for all the electors of the party voted for.

Mr. Bryan's Instructions.

Mr. Bryan's official pronouncement is as follows:

The voter must make with an indelible pencil his cross mark (X) in the square opposite the name of each candidate for whom he wishes to vote, with the exception of candidates for the office of Presidential elector. The voter may vote for Presidential electors by making a cross mark (X) in the square opposite the name of each of the persons (not more than eight in number) for whom he wishes to vote. He may also vote for the eight candidates for Presidential electors of any political party by making his cross-mark (X) in the square opposite the surnames of the candidates of the party of his choice for President and Vice-President. For example, a voter wishes to vote for the candidate of the Democratic party for Presidential electors; he can do so by making a cross mark (X) in the square opposite the name of each one of the eight Democratic candidates for Presidential elector; he can also, if he prefers, make his cross-mark (X) in the square opposite the names of Parker and Davis, the Democratic candidates for President and Vice-President, and have his ballot counted for each one of the Democratic candidates for Presidential elector, grouping under the names of Messrs. Parker and Davis. (Art. 33, Sec. 50.)

The Attorney General is directed by Sections 114 and 114 A of Article 33 of the code (the general election law) to prepare these instructions, which are therefore regarded as having the force of law.

Law As To Marking Ballots.

The part of Section 50 of Article 33, which has occasioned the dispute, reads as follows.

"The surname of each candidate of each political party for the office of President and Vice-President shall be placed above the group of candidates for electors of such party. There shall be left at the right of the surname of the candidates for President and Vice-President, so formed as to include both names, and to the right of the name of elector, a sufficient clear square in which each voter may designate by a cross (X) his choice for electors."

OBITUARY.

Died in Piney Neck, August 23, 1904, WELDON JESSIE BRYDEN, the infant son of Thomas J. and Carrie Bryden, aged 5 months and 10 days.

The midnight stars are shining
Upon a silent grave;
Where sleeps, the one we loved so well,
The one we could not save.

We loved him! Yes we loved him
But Jesus loved him more;
And he has sweetly called him
To yonder shining shore.

Father and mother; do not weep
Your tears are all in vain,
I came and stayed a while with you,
Jesus wanted me back again.

You are not forgotten, Weldon dear,
Nor will you ever be,
For as long as life and memory last
We will remember thee.

PARENTS.

In loving remembrance of WELDON ROOSEVELT BRYDEN, who died 4 years ago today, September 9th, 1900.

Blessed be the Lord who gave,
Blessed be the Lord who took him.

IN MEMORIAM.

In sad but loving memory of THOMAS JACOB McCLAIN, who departed this life, Sept. 3rd, 1904, aged 6 years and 2 months at Still Pond.

One we loved has died and left us,
For the dark and silent tomb
Closed his eyes in sleeping slumber,
Faded in his earthly bloom.

He did not sink by slow decay,
Like one who lives the longest.
But every tie was wrenched away,
Just when those ties were strongest.

Five mournful days has vanished,
Think we while the tear drops start,
But the memory of our darling,
Still is fresh within our hearts.

Oh the misery of that dreary day,
When we held his dying head,
Till death stole upon him softly,
And we knew his soul had fled.

A place is vacant in our home,
A place we can not fill;
A voice we loved so dear to hear
Is now forever still.

We watched and waited by him
Still hoping he would stay,
But an angel softly whispered,
I'll bear this gem away.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.
