Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

FOUR SUITS COMPROMISED.

The Pennsylvania Railroad Company Pays Henry Green, Aaron Jones, Ernest Moore and Earl Crawford $500 Each.

By the defendants paying each of the plaintiffs $500, also paying the costs already incurred in each case, the suits of Henry Green, Aaron Jones, Earl Crawford and Ernest Moore, all of Elkton, against the P. B. & W. Railroad Company, for false arrest and imprisonment at Havre de Grace, about two years ago, have been compromised. The young men were members of a local minstrel troupe which gave a performance in Havre de Grace. While the members of the organization were waiting at the passenger station to return home, the four above named young men were arrested because Ernest Moore attempted to light a cigarette while sitting in the waiting-room. The suits were all instituted in the Circuit Court for Cecil county, and later removed to Kent county court for trial. In that court Jones was awarded $500 damages, and Green was awarded $1,000. The suits of Crawford and Moore were again removed to the Talbot county court. The juries in their suits rendered a verdict of $1500 in favor of Crawford, and $4600 for Moore. Each of the suits were appealed to the Court of Appeals, and the verdicts were all set aside on rulings of the lower courts, new trials being ordered. After waiting nearly a year compromises have been effected.

HAWK SWOOPS DOWN ON CHANTICLEER HAT

While on her way to church Miss Margaret McPhail of Signac, N. J. had an exciting experience with a huge hawk, which made away with her chanticleer hat.

When near the schoolhouse on Pompton turnpike, she first saw the hawk hovering over her, but high up in the air. The bird after circling about and swinging nearer and nearer to her, suddenly swoped down on her head and seized the hat. It fluttered and pulled at the headgear, while Miss McPhail screamed. Two girl friends ran to her assistance. Miss Minnie Hartsdorf reached her first, and she tried to drive off the bird, but the hawk flapped his wings wildly several times striking Miss Hartsdorf in the face and blinding her for the time being.

Miss McPhail was so frightened that she sank to the ground. By that time the hatpins had worked loose and the hawk flew away with the headgear in its claws. When over the Harraic river the bird evidently discovered it had made a mistake and dropped the hat, which fell into the water, near the Signac bridge, where a number of men and boys were fishing.

THE Supreme Court of the United States, in an opinion delivered by Justice McKenna on Tuesday, upheld the "Jim Crow" law as relates to inter state travel. A negro bought a ticket from Washington to Lexington, Kentucky, and when the train passed the Kentucky line he was invited to take a seat in a "colored" coach. He refused and was removed by an officer. He brought suit and the Kentucky courts decided against him, and the Supreme Court affirms the decisions. From this it would seem that negroes must comply with "Jim Crow" laws even if they are interstate passengers.

THIRD OPERATION PREVENTED

By Lydia E. Pinkham's Vegetable Compound

Chicago, Ill. — "I want to tell you what Lydia E. Pinkham's Vegetable Compound did for me. I was so sick that two of the best doctors in Chicago said I would die if I did not have an operation. I had already had two operations, and they wanted me to go through a third one. I suffered day and night from inflammation and a small tumor, and never thought of seeing a well day again. A friend told me how Lydia E. Pinkham's Vegetable Compound had helped her, and I tried it, and after the third bottle was cured."—MRS. ALVENA SPERLING, 1468 Clybourne Ave., Chicago, Ill.

If you are ill do not drag along at home or in your place of employment until an operation is necessary, but build up the feminine system, and remove the cause of those distressing aches and pains by taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs.

For thirty years it has been the standard remedy for female ills, and has positively restored the health of thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?
