CARDINAL GIBBONS ATTACKS DIVORCE

Says Divorce Mills Are Grinding to Powder Domestic Altars of This Nation —Worse Than Mormonism.

"There is a social scourge more blighting and more destructive of family life than Mormonism. It is the fearfully increasing number of divorce suits throughout the United States. These mills, like the mills of the gods, are slowly but surely grinding to powder the domestic altars of the nation."

The above declaration was made by Cardinal Gibbons in his sermon in the Cathedral Sunday. The Cardinal said:

"Husband and wife are separated on the most flimsy pretext. And as if the different States of the Union were not sufficiently accomodating in this respect, one State has the unenviable distinction of granting a bill of divorce for the mere asking of it, on the sole condition of a brief sojourn within her borders.

"I can conceive no scene more pathetic nor one that appeals more touchingly to our sympathies than the contemplation of a child emerging into the years of discretion seeing her father and mother estranged from each other. Her little heart is learning to love. She longs to embrace both parents, but she finds that she cannot give her affection to the one without exciting the resentment or displeasure of the other.

"A lady prominent in social life once said to me in Newport: 'I do not recognize any law, human or divine, that can deprive a husband or wife of the right to separate and to enter fresh espousals when they do not live in harmony together.'

"'You speak,' I replied, 'of your rights; your privileges. But you have not a word to say for your duties and obligations.'

"Ah! my brethen, if men and women had due consideration for their duties and responsibilities their rights would take care of themselves. There can be no right where there are no corresponding obligations.

"If Christianity is the highest type of civilization—and who can deny it?—then is it not true that we are retrograding instead of advancing on certain lines? We glory in our system of universal education, in our enormous wealth and in our territorial expansion. But these advantages are not evidences of Christian progress.

"Two thousand years ago pagan Rome had all these temporal advantages. The wealth of the nations poured into her lap. Her empire extended over three continents. She far excelled us in the arts, in oratory, poetry, philosophy and literature, and in all the refinements of cultivated society. Her paintings and sculpture, her literary productions, are still our models. And yet, while she was in the zenith of her material and intellectual splendor she was in a state of moral and political decay, in fact, she was lapsing into barbarism."

THE BENEFITS OF TRAVEL.

The benefits of travel are priceless. An attraction that imparts these benefits without the hardships of actual travel is certainly worth a score or more of the usual dramatic offerings. Of course, there is only one attraction in America that fills this mission. It is needless to say that attraction is Lyman H. Howe's Travel Festival which returns to Stam's Hall on Wednesday, Feb. 15 with an entirely new program.

Again "stay-at-homes" may wonder abroad and temporarily enjoy all the pleasures which hitherto have been the heritage only of real travelers. This time the interest and beauty of nearly every scene are enhanced and intensified by presentation in the actual colors of nature. This vitalizes the excursions through Indo-China and the Gorges De L'Ardeche in France, to a degree of perfection that cannot be described.

A ride on a dirigible baloon over Switzerland; another on the swiftest motor boat in the world—the Ursula of 800 horse power; a ramble through fashionable, political, financial and historic London; spectacular dynamiting of big buildings in Messina; building and launching an ocean palace, the White Star Liner "Olympic"; landing passengers in a rough sea at Tunis; dissolving portraits of prominent Americans; a dangerous though bloodless bull fight in Spain, comprise only a few of the many big features on the new program.

AT the last meeting of Church Hill Grange Number 263, the following officers were elected for the ensuing year: John C. Smith, Master; John H. Newnam, Overseer; S. G. McCollister, Lecturer; J. Thomas Smith, Steward; W. H. Temple, Asst. Steward; W. H. Milby, Chaplain; W. E B. Faithful, Secretary; D. Thomas Hurlock, Treasurer; H. B. Appleford, Gate Keeper; Mrs. John H. Newnam; Ceres: Mrs. James B. Newnam, Pomona; Mrs. M. E. Brierley, Flora, and Mrs. H. B. Appleford, Lady Asst. Steward.

IN MEMORIAM.

IN sad and loving remembrance of IDA P. MOFFETT, who departed this life two years ago, February 12, 1909.

It has been two sad and dreary years
Since we were forced to part;
But the memory of our dearest mother
Still is fresh within our hearts.
She was a tender and loving mother,
A mother kind and true;
A mother and friend who would never shirk,
Whenever a kind act she could do.
BY HER CHILDREN.

When they ask us do we miss her,
How it fills our heart with pain;
But her voice seems sweetly saying,
Courage, we shall meet again.
Oh, how we loved our daughter dear,
No heart on earth can tell:
But Jesus loved her better,
And called her home to dwell.
BY HER FATHER AND MOTHER.

Once our home was bright and happy,
Oh, how sad and dreary to-day;
For our dear and loving sister
Has forever passed away.
Gone from earth—yes, gone forever,
Tear-dimmed eyes shall gaze in vain;
We shall hear sister's voice, no, never,
Never more on earth again.
BY HER BROTHERS AND SISTERS.

In sad but loving remembrance of our dear father, JOHN J. WARNER, who departed this life one year ago, January 29, 1910.

Sleep, dear father, and take your rest,
God took you home. He thought it best;
It was hard indeed to part from thee.
But God's strong arms supported me.
Gone but not forgotten.
LOVING WIFE AND CHILDREN.

EBEN F. PERKINS, JAS. W. CROUCH, } Auditors.

N. B.—According to the above report the net revenue for the plant for the year, 1910, shows $499.76. This does not include supplies now on hand and purchased during the year 1910 which amounts to $191.26. Also we have paid for the installation of additional new fire plugs the sum of $192.00 and by adding these items together we have the sum of $883.02 which represents the *net revenue* of the plant for the year 1910.

Of the $10,000 Special Fund which was placed in our hands for improvement of the system we have still on hand the sum of $5,477.47 and add to this the sum of $695.01 which is the amount of stock on hand and not used we have a total in this fund of material and cash of $6,172.48.

Respectfully submitted,
