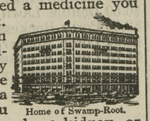
Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.



Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

THE MARYLAND
Agricultural College
COLLEGE PARK, MD.

MARYLAND'S SCHOOL OF TECHNOLOGY

25th year begins September 14. Entrance examination Sept. 12 and 13.

Degree of B. S. is given in following courses:

Agriculture	Mechanical Engineering
Horticulture	Civic Engineering
Biology	Electrical Engineering
Chemistry	General Course (Cultural)

Students taking Agriculture and the allied branches have the benefit of the U. S. Department of Agriculture, in Washington, and of the Government Experiment Farms at Arlington and Beltsville.

Students pursuing the Engineering courses supplement their practical knowledge by visits to the Mt. Clare shops, Sparrows Point and other similar places where great mechanical and engineering work is in operation.

The Agricultural College is Maryland's School of Technology, and is meeting the demand of the age for trained men in the Great fields o. Agriculture, Science and Engineering. Positions are assured to all graduates.

Particular attention is called to the Two Years Course in Agriculture and Horticulture

Each department of the College is supplied with the most modern and improved apparatus. The dormitories are equipped with steam heat, electric light and hot and cold shower baths. The location of the college is unsurpassed for health. There is a sanatorium, with a trained nurse, under the charge of a resident physician. Any possible contagious disease can be completely isolated.

Tuition, books, heat, light, laundry, board, medical attention, etc, are all included in the charge of $240 per year, payable $60 quarterly in advance.

Send for Catalogue and Book of Views.

It will be of advantage to those who expect to enter the College to send in their application as soon as possible.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's remedies have done for me. For two years I suffered. The doctors said I had tumors, and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. Your Liver Pills have no equal as a cathartic. Any one wishing proof of what your medicines have done for me can get it from any druggist or by writing to me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Another Operation Avoided.

New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYROUX, 1111 Kerlerec St., New Orleans, La.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.
