By Yesterday's Steamer!

The Southern Congress has adopted a permanent constitution. It is still kept a profound secret, but a member of Congress states that among its provisions is a clause making the presidential term six years; all Executive appointments, under the grace of cabinet officers, to hold their offices during good behavior, and only to be removed for causes assigned in writing; and the slave trade is prohibited. A clause was also adopted declaring that cabinet officers are not prohibited from holding seats in Congress.

An act was passed authorizing the issue of one million of treasury notes. An appropriation bill for current expenses was passed.

The U. S. Senate was engaged on Monday last in debating a resolution offered by Mr. Foster, of Conn., to expel Senator Wigfall, of Texas, for declaring he had renounced allegiance to the U. S. Government. No vote had been taken on it.

The Conventions of Missouri and Virginia have both passed resolutions calling, the former a National Convention, to pass amendments to the Constitution, the latter a border slave State Convention for consultation and concert of action.

The Delaware Legislature adjourned on Friday last. It refused to make any more lottery grants in the State.

HOLLOWAY'S PILLS.—Caution the parent of safety.—A word of hope. Delicate females expanding into the full bloom of womanhood are frequently condemed by a false polity of society to be the lingering victims of complicated disorders; or prevented by their timid and sensitive natures, or the reprehensible neglect of mothers from acknowledging the cause of their ailments. How many girls have been assigned to the cold and pitiless embrace of death through sheer ignorance or that want of confidence which should exist between parent and offspring. When mothers behold their daughters droop—the palor of the lilly substituted for the bloom of the rose—the dim and lack lustre eye—the gradual emaciation of the body—let them take heed—a crisis has arrived which demands their utmost vigilance and solicitude: Holloway's Pills are an effectual remedy for these manifold complaints.

SANDS' SARSAPARILLA.—The aperient anti-septic and restorative properties of this invaluable preparation render it a safe and certain cure in cases of Scrofula, Liver Complaint, Dyspepsia and numerous Ulcerous and Eruptive diseases. It acts with extraordinary potency upon the fluids of the body, cleansing them from all deleterious particles, and as a restorative, disinfectant and gentle aperient combined it is unequaled.

Prepared and sold by A. B. & D. Sands, Druggists, 100 Fulton street, New York.—Sold also by Dr. J. Flint, Cambridge, Md. Sold also by Druggists generally.

THE CURES MADE BY PROF. DE GRATH with his "Electric Oil," are almost miraculous and so wonderful and instantaneous, so satisfactory, and mitigating of human ill, as to call upon public functionaries and those having charge of public institutions for the sick and suffering, to look well into the well attested merits, the simple efficacy of this "Electric Oil." See advertisement.

FOR THE CURE OF
CONSUMPTION, BRONCHITIS,
COUGHS AND COLDS.
THE
MAKORA ARABICA,
Discovered by A
MISSIONARY;
WHILE TRAVELING IN ARABIA.

ALL who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are threatened with Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Bronchitis should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Sore Throat, Coughs and Colds, should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Asthma, Scrotula and Impurities of the Blood should use the MAKORA ARABICA, discovered by a missionary in Arabia.

It cures Consumption.
It cures Bronchitis.
It cures Sore Throat, Coughs and Colds.
It cures Asthma, Scrofula, and impurities of the Blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who were sufferers in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna, through the house of Cleon & Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions.

Price one dollar per bottle. Sent by mail, on receipt of price, and 24 cents for postage.

Prof. CHAS. DE GRATH'S Electric Oil—The Friend of Man.

THERE is a perfect innocent, soothing and gently stimulating Medicine, that may be justly called "THE FRIEND OF MAN."—It was discovered by Prof. Chas. De Grath while travelling in South America—lately been brought out by urgent solicitations—and has cured more cases of Rheumatism, Gout, Neuralgia, Lumbago, Sciatica, Spinal and Bronchial complaints, Tic Doloreux, Headache, Cramps, Croup, Piles, Felons, Sprains and Bruises, Cuts and Wounds, Swelled Glands, Stiff Joints, Scrofula, Erysipelas, Sore Nipples, Swelled Breast, Womb Disorders, Salt Rheum, Canker in the mouth and stomach, Palpitation, Eruptions, Caked Breast, Quinsy, Sore Throat, Palsy, Pleurisy, Ulcers, Lock Jaw, Heart Burn, Tooth and Ear-ache, Nervousness, Costiveness, Burns, Sore Gums of teething infants, &c., than all and every other medicine in Philadelphia.

☞It will be seen this great remedy does not claim to cure everything, but only a CERTAIN CLASS of complaints.

☞It is an external remedy, but sometimes is taken internally (by the Doctor's advice) It stimulates to action the absorbents and secretions, drives pains of all kinds from the body, and reduces all swellings, in an incredible short time, as all know who have used Prof. De Grath's "ELECTRIC OIL."

CERTIFICATE OF JOHN WILLIAMSON.

I, John Williamson, Attorney at Law, Huntingdon, Pa., do certify that Prof. De Grath's Electric Oil is infallible for rheumatic pains. My wife who for some time past has been greatly afflicted and unable to walk has been restored by the application of this Oil almost instantaneously and I can cheerfully recommend it to others.

JOHN WILLIAMSON.

STIFF NECK.

[Editor of Law Magazine cured instantaneously.]
GIRARD HOUSE, Philadelphia.

Prof. Chas. DeGrath:—I freely give it as my opinion, that your Electric Oil is among the most wonderful remedy of modern times. At the earnest request of a lady, who alleged that she had been relieved of a most painful affection by its use, I was induced to try a bottle, though at the time of purchasing, I fully believed it to be a quack medicine and a catchpenny humbug. But a trial convinces me that it possesses a magic power, and its use will prove a blessing to suffering humanity.

I recently took a cold from sleeping in damp sheets, and my neck became so much swollen and painful, that I could not turn my head After using, without success, everything prescribed by my physician, I last evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous Yours, very truly,
JOHN LIVINGSTON.

HENRY R. COSTAR.—All the summer I have been troubled with Roaches and Mice. I was actually ashamed of the house for the Roaches were everywhere. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse in the house.
JOHN B. GIVENS, No. 94 Elm Street.

HOUSEKEEPERS—troubled with vermin, need be so no longer, if they use "COSTAR'S" Exterminators. We have used it to our satisfaction, and if a box cost $5, we would have it. We had tried poisons, but they effected nothing; but COSTAR'S article knocks the breath out of Rats, Mice, and Bedbugs, quicker than we can write it. It is in great demand all over the country.—*Medicoy (O.) Gazette.*

MORE GRAIN and provisions are destroyed annually in Grant County by vermin, than would pay for tons of this Rat and Insect Killer.—*Lancaster. (Wis.) Herald.*

HENRY R. COSTAR—Your Exterminator is received, used, and pronounced a decided success. We used a box of it, and the way the Rats and Mice around our premises "raised Ned" that night was a caution to sleepers. Since then not a Rat or Mouse has been heard in kitchen or cellar.—*Magregor (Iow.) Times.*

I HAVE BEEN SELLING—Your Exterminator for the last year, and have found it a *sure shot* every time. I have not known it to fail in a single instance."
GEORGE ROSE, Druggist, Cardington, O.

CHOOSE BETWEEN THEM
Holloway's Pills.

NERVOUS DISORDERS.

WHAT is more fearful than the breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better, none; take no coffee, weak tea being preferable; get all the fresh air you can, take three or four Pills every night, eat plenty of solids, avoiding the use of sleep, and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

MOTHERS AND DAUGHTERS.

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, thus removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

SICK HEADACHES AND WANT OF APPETITE.

These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disorganizing the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the stomach, will follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They regulate the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spleen; in fact they never fail in curing all disorders of the liver and Stomach.
